Kirkus Reviews 1990 Adult books are categorized by genre (i.e., fiction, mystery, science fiction, nonfiction). Along with bibliographic information, the expected date of publication and the names of literary agents for individual titles are provided. Starred reviews serve several functions: In the adult section, they mark potential bestsellers, major promotions, book club selections, and just very good books; in the children's section, they denote books of very high quality. The unsigned reviews manage to be discerning and sometimes quite critical.

Ray Bradbury Gene Beley 2006 "The Definitive Ray Bradbury Book" "I volunteered for the Moorpark College newsroom assignment. The speech changed my life just listening to Bradbury speak. I thought he was the greatest orator I had ever heard and thought to myself, "If he can write as well as he can talk, I'll read everything he's written and seek out magazines to sell an article about him." Back then (1968), I had started my freelance writing career and was always looking for new ideas. That first Bradbury speech changed my life and his advice gave me my life's philosophy: 'Follow your loves! Don't listen to anyone else—even your own spouse. However, if you have the love of a good spouse and several good friends, you'll be successful. If you don't yet know what you want to do in life, go out and find your loves and you'll have a happy life.'" You'll find this biography may be more of a self-help book and "the definitive Ray Bradbury" revealed like no other book has yet done. Whether you are a science fiction fan, student, attorney, architect, writer, priest, or just a person trying to find your mission on planet Earth, there is a piece of the jigsaw puzzle to your life awaiting you in this book. If you are going on a trip or simply want something to read for a weekend, this book is designed as a quick, entertaining read for all people. And you need not know anything about science fiction to enjoy reading the study of this genius and American icon. Enjoy! -Gene Beley, author

A Graveyard for Lunatics Ray Bradbury 2013-04-16 Halloween Night, 1954. A young, film-obsessed scriptwriter has just been hired at one of the great studios. An anonymous investigation leads from the giant Maximus Films backlot to an eerie graveyard separated from the studio by a single wall. There he makes a terrifying discovery that thrusts him into a maelstrom of intrigue and mystery—and into the dizzy exhilaration

of the movie industry at the height of its glittering power.

Bradbury Beyond Apollo Jonathan R. Eller 2020-08-22 Celebrated storyteller, cultural commentator, friend of astronauts, prophet of the Space Age—by the end of the 1960s, Ray Bradbury had attained a level of fame and success rarely achieved by authors, let alone authors of science fiction and fantasy. He had also embarked on a phase of his career that found him exploring new creative outlets while reinterpreting his classic tales for generations of new fans. Drawing on numerous interviews with Bradbury and privileged access to personal papers and private collections, Jonathan R. Eller examines the often-overlooked second half of Bradbury's working life. As Bradbury's dreams took him into a wider range of nonfiction writing and public lectures, the diminishing time that remained for creative pursuits went toward Hollywood productions like the award-winning series Ray Bradbury Theater. Bradbury developed the Spaceship Earth narration at Disney's EPCOT Center; appeared everywhere from public television to NASA events to comic conventions; published poetry; and mined past triumphs for stage productions that enjoyed mixed success. Distracted from storytelling as he became more famous, Bradbury nonetheless published innovative experiments in autobiography masked as detective novels, the well-received fantasy *The Halloween Tree* and the masterful time travel story "The Toynbee Convector." Yet his embrace of celebrity was often at odds with his passion for writing, and the resulting tension continuously pulled at his sense of self. The revelatory conclusion to the acclaimed three-part biography, *Bradbury Beyond Apollo* tells the story of an inexhaustible creative force seeking new frontiers.

Lexikon der phantastischen Literatur Rein A. Zondergeld 1998

Ray Bradbury - Poet des Raketenzeitalters Hardy Kettlitz 2021-05-14 Ray Bradbury (1920–2012) war einer der bedeutendsten US-amerikanischen Schriftsteller des 20. Jahrhunderts. Aldous Huxley bezeichnete ihn als "einen der größten Visionäre unter den zeitgenössischen Autoren" und Brian W. Aldiss nannte ihn den "Hans Christian Andersen des Jet-Zeitalters". Seine Werke "Fahrenheit 451", "Die Mars-Chroniken" und "Der illustrierte Mann" sind in die Literaturgeschichte eingegangen. Bradbury schrieb nicht nur über 400 Erzählungen, sondern auch unzählige Drehbücher, Theaterstücke und Gedichte. Er war ein Moralist und Poet, der sein Publikum auf einzigartige Weise zu unterhalten wusste. Hardy Kettlitz liefert den bislang ausführlichsten Überblick in deutscher Sprache zu Leben und Werk dieses einflussreichen und mit vielen Literaturpreisen ausgezeichneten Schriftstellers. Gastbeiträge von Ekkehard Redlin, Jewgeni Lukin und Erik Simon, über 250 Abbildungen und eine deutsche Bibliografie von Joachim Körber runden den Band ab.

Exploring the Horror of Supernatural Fiction Miranda Corcoran 2020-05-07 Detailing the adventures of a supernatural clan of vampires, witches, and assorted monstrosities, Ray Bradbury 's Elliott family stories are a unique component of his extensive literary output. Written between 1946 and 1994, Bradbury eventually quilted the stories together into a novel, *From the Dust Returned* (2001), making it a creative project that spanned his adult life. Not only do the stories focus on a single familial unit, engaging with overlapping twentieth-century themes of family, identity and belonging, they were also unique in their time, interrogating post-war American ideologies of domestic unity while reinventing and softening gothic horror for the Baby Boomer generation. Centred around diverse interpretations of the Elliott Family stories, this collection of critical essays recovers the Elliotts for academic purposes by exploring how they form a collective gothic mythos while ranging across distinct themes. Essays included discuss the diverse ways in which the Elliott stories pose questions about difference and Otherness in America; engage with issues of gender, sexuality, and adolescence; and interrogate complex discourses surrounding history, identity, community, and the fantasy of family.
