Alphas Preis Renee Rose 2020-10-23 MEINE GEFANGENE. MEINE GEFÄHRTIN. MEIN PREIS. Ich habe die Gefangennahme der schönen amerikanischen Wölfin nicht befohlen. Ich habe sie nicht von den Händlern gekauft. Ich hatte nicht mal vor, sie zu beanspruchen. Aber kein männlicher Wandler hätte dem Verlangen des Vollmondes und einem verschlossenen Zimmer mit Sedona standhalten können, nackt und ans Bett gefesselt. Ich verlor nicht nur die Kontrolle, sondern habe sie auch markiert und sie mit meinem Wolfswelpen geschwängert zurückgelassen. Ich werde sie nicht gefangen halten, so sehr ich es auch möchte. Ich erlaube ihr, in die Sicherheit des Rudels ihres Bruders zu entkommen. Aber einmal markiert, ist keine Wölfin wirklich mehr frei. Ich werde ihr bis ans Ende der Erde folgen, wenn ich muss. Sedona gehört zu mir.

"Eine fesselnde Fantasy-Geschichte, die dem Hype um sie mehr als gerecht wird." POPSUGAR Erster Band der DARK-RISE-Trilogie

Bad Bargain Diana G. Gallagher 2007-02-26 "Off the rack gives me hives." -- Cordelia, "Out of Mind, Out of Sight" The Scoobies are used to being personally affected when demonic nasties come to Sunnydale. And they're used to strange things happening at Sunnydale High -- after all, the place is built over the Hellmouth. But they've sealed the Hellmouth, so they don't think anything's out of the ordinary when items to be sold at the first annual band fund-raising rummage sale are stored in the school basement...which, one might recall, is directly above that Hellmouth. Once the rummage sale begins, it's clear the stuff for sale is far from ordinary. People seem to be strangely affected by the items they're buying -- things from undemonic homes, donated by undemonic people. So the reactions these items are producing are, to say the least, unexpected. Willow's acting weird. So's Xander. And even Buffy's mom bought something.... The situation quickly spins out of control, and the school has to be quarantined...leaving Buffy and Giles to sort things out before whatever demon this is sells them down the river.

Heat Nancy Holder 2004 From L.A. Times best-selling author Nancy Holder comes a new, original adventure featuring the cast of both Buffy the Vampire Slayer and Angel. In his first year in Los Angeles, Angel, the vampire with a soul, came across an inter-dimensional hunter named Jhiera. The seductive woman was only trying to protect other females in her culture from being stripped of their emotions -- intense emotions that gave them dominance over men. Angel fell victim to her heat, but Jhiera had to return to her own dimension. Now "She" is back and searching for a lost young woman who may be the key to unleashing an inter-dimensional war -- a war that will be led by a powerful sorcerer, determined to free China's terra-cotta army of fierce samurai from their long imprisonment.... There exists a hell dimension that is very much like the Ninth Circle of Hell that Dante Alighieri described in The Inferno. It is a frozen, desolate place, and the souls of the damned are buried in vast sheets of ice. Evil beings from many different dimensions have been sent there. The descendants of the imprisoned are chipping away at the barriers that separate the dimensions, hoping to free those trapped in the ice, so that they may return and claim this world for their own. One of these demons is in L.A. searching for Jhiera, hoping to strike a deal that will persuade her to thaw his soldiers -- and dragons -- in exchange for their help overthrowing the Vigories of Oden Tal. But what form will this demonic army take when it arrives in our world? In Sunnydale, Buffy Summers is casting about in her new life -- as school counselor, guardian of Dawn, best friend, keeper of Spike's sanity, and of course as Slayer -- hoping to find something, anything, that will give her back that "finished" feeling. A demonic army with a dragon at its head is so not what she needs right now. And in L.A., Angel and Gunn -- each man pining for a woman he can never have, for a time that will never be what it was -- stumble across a raging battle at a museum. Angel is astonished to see the inter-dimensional fugitive Jhiera again...and to have the same feelings for her come rushing back to the surface. Jhiera escapes, and the Angel Investigations gang starts poking around, trying to discover why the Oden Tal woman was at the museum -- a museum featuring an archaeological exhibit of the terra-cotta army of samurai figurines that were found in a Chinese emperor's tomb. They are a marvel to behold, and both Los Angeles and Sunnydale are lucky enough to host the exhibit. That can't be a coincidence...can it? When the frozen hell dimension is thawed and opened, a demonic army will enter this world through the Hellmouth. The various creatures will occupy the forms of the ready-made army, and a war will be waged.

The Suicide King Robert Joseph Levy 2005 Interactive storylines allow readers to control the action and advance the story by their choices--leading toward

more than two dozen possible endings--in this Slayer adventure that returns Buffy Summers and the Scoobies to the glory days of high school. Original.

The Deathless Keith R. A. DeCandido 2007-04-24 As if Ring Day weren't enough to make Buffy Summers anxious (she can't even afford one of the less expensive silver bands), the Slayer has her hands full trying to figure out why an average split-level house in Sunnydale has all the vampires spooked. When she arrives at the library to discuss this new development with Giles, a package he's received from an old folklorist in Russia reveals what's going on: The stars are properly aligned for an attempt to resurrect Koschei the Deathless, a long-dead evil sorcerer. So while her classmates are busy choosing rings to demonstrate their school spirit, Buffy must figure out how to keep someone from reviving Koschei and, should she need to resort to plan B, how to kill him again. A little investigating soon leads Buffy and the gang to the necromancer who originally killed the sorcerer, an immortal Russian sorceress named Yulia Dryanushkina, who can control vampires (which explains their reluctance to pass by her place of residence). When the crew pays Yulia a visit, she assures them that with Willow's assistance, she would be able to kill the sorcerer again should he be revived. Neither Buffy nor Willow are particularly comfortable with aligning themselves with the necromancer, but they have no other choice when, twenty-four hours later, the vampires start behaving strangely . . . and half the senior class goes missing.

Buffy the Vampire Slayer: Carnival of Souls Nancy Holder 2006-04-29 SOMETHING WICKED EVIL THIS WAY COMES. There's something troubling about Professor Caligari's Traveling Carnival. Perhaps it's that no one can recall the arrival of its hard-to-miss caravan of old-style wagons, countless performers, and horse-drawn carts. Maybe it's the creepy calliope music that tirelessly beckons visitors. Let's face it, an enigma that chooses Sunnydale nearly guarantees it's up to more than wholesome family entertainment. After a visit to the carnival's Hall of Mirrors, a once-shy pair of homely sophomore twins parades the halls of Sunnydale High like diva supermodels on a runway. Intuiting the twins' abrupt personality change as more than a self-confidence boost, Buffy -- joined by Angel, Giles, and the rest of the Scoobies -- decides to investigate the suspicious carnival firsthand. But soon it's apparent that the price of admission is higher than she imagined. Those who enter the carnival's attractions exit...changed. Each of the gang soon shows extreme displays of vice. Willow is wracked with envy. Cordelia's greed consumes her. Xander unleashes his gluttony. Angel reveals a lusty new persona. And a dark anger rises in Giles. But it's Buffy's now-blinding pride that threatens to overpower her, and in the process destroy those she loves....

And as the forces of evil find their way back to the Hellmouth -- where it all began -- the Slayer will uncover what being the Chosen One is all about: Power. "She's laid down her life -- literally -- to protect the people around her. This girl has died, two times, and she's still standing. You're scared, that's smart. You got questions, you should. On the verge of failing her junior year -- thanks to annoying Principal Snyder, who seems to be acting even stranger than usual lately -- Buffy agrees to meet with a tutor. To make matters even worse, she's tasked with investigating the disappearance of a child...a little girl who happens to have gone missing mere hours before a child vampire surfaced in Sunnydale, accompanied by a wheelchair-bound male who fits Spike's description perfectly. Fighting off exhaustion and uneasy at the prospect of staking a child vamp, Buffy learns that Principal Snyder is the target of a sleep-deprivation spell that has taken over Sunnydale. Putting aside her fear that her tutor is out to get her, and hoping that the sleeping spell is affecting both humans and demons, Buffy investigates Snyder's odd behavior. She follows him to his childhood home to discover that he has arranged to have his abusive mother banished to the demon dimension. Meanwhile, Drusilla, who has been playing mother figure to the child vampire, is learning how difficult it is to be a parent. Original Sins Christopher Golden 2017-09-26 HOMECOMING Joyce Summers is dead. Spike has been slain and Faith, rogue Slayer, is gone as well. Southern California has fallen under vampire rule. And Rupert Giles is Vampire King. Buffy can hold no one but herself responsible for this grim possible future; her own insecurities and petty jealousies led to this moment. She must now gather her inner strength and combat the demon that inhabits the corpse of her most trusted mentor. With the help of Willow and the Slayerettes, Buffy must invoke the elements, stave off a vampire stronghold, and return to her real-time body -- but not before identifying and preventing the misstep that brought about the oppression of those she holds closest.... The Conclusion

Dark Congress Christopher Golden 2007-08-28 Since the beginning of time, the demonic races have gathered every century to resolve conflicts among them

and to determine the course of their future. This centennial event was called the Dark Congress. In the second century b.c., however, the Dark Congress failed to resolve their conflicts. Instead, the Congress ignited into a war that drove wedges between the various demon races from that time until now. And all of it began as a result of Kandida, the great North African river demon, being nearly killed by forces in the Congress and magically entombed in the riverbank. But now, Kandida is free, and for the first time in centuries, the Dark Congress is being called again. All demon races and other varieties of supernatural creatures have been called to gather at the Hellmouth in Providence, Rhode Island. Some gather in hopes of resolution, some in favor of war, and Kandida is tasked to broker a treaty and guide the Congress to peace, wherein everyone might simply agree to disagree. And so the demons gather under a banner of a truce. But the demons still harbor many bitter disagreements with one another. The Congress must have an arbiter of these conflicts, and that someone is Buffy Summers. Buffy is horrified and disgusted to be included. After all, she is not a demon...is she? She knows so little about her powers that she cannot say for certain where they truly spring from. How can she spend so much time wallowing in the darkness without becoming part of it? Can she possibly agree to a truce with all the horrors of the world, and allow them to come Providence without any attempt to stop them? And does she have a choice?

Spark and Burn Diana G. Gallagher 2005-08-01 What is the true measure of a champion? In the nineteenth century a boy named William was born. A sweet, gentle boy -- no one could have guessed the suffering he'd cause, the pain he'd inflict. When, as a young man, he meets a woman called Drusilla -- a strange woman, a woman unlike anyone William has ever known -- he is fundamentally changed. She has turned him. There will be no more William. He is Spike now. As Spike, he travels Europe with a band of vagabond vampires. Dru, Darla, and Angelus instruct him on his new nature, and from them he learns about that greatest of vampiric enemies, the girl who is chosen to stand up against them, trained to kill them, endowed with the strength it takes to defeat them: the Slayer. Then and there, Spike decides he'll hunt down those slayers. He'll see how many he can find. Who would have thought then that he'd fight on the Slayer's side? Who would have guessed that Spike, once William, would go out and seek his soul for a slayer? Who would have dared dream he'd fall in love with one?
