Bad Bargain Diana G. Gallagher 2007-02-26 "Off the rack gives me hives." -- Cordelia, "Out of Mind, Out of Sight" The Scoobies are used to being personally affected when demonic nasties come to Sunnydale. And they're used to it. It's happening at Sunnydale High -- after all, the place is built over the Hellmouth. But they've sealed the Hellmouth, so they don't think anything's out of the ordinary when items to be sold at the first annual band fund-raising rummage sale are quarantined...which, one might recall, is directly above that Hellmouth. Once the rummage sale begins, it's clear the stuff for sale is far from ordinary. People seem to be strangely affected by the items they're buying. Some homes, donated by undemonic people. So the reactions these items are producing are, to say the least, unexpected. Willow's acting weird. So's Xander. And even Buffy's mom bought something... The situation quickly spins out of control. Buffy and Giles to sort things out before whatever demon this is sells them down the river.

Dark Congress Christopher Golden 2007-08-28 Since the beginning of time, the demonic races have gathered every century to resolve conflicts among them and to determine the course of their future. This centennial event will be held in the Congress. In the second century b.c., however, the Dark Congress failed to resolve their conflicts. Instead, the Congress ignited into a war that drove wedges between the various demon races from that time until now. And now, the races and other varieties of supernatural creatures have been called to gather at the Hellmouth in Providence, Rhode Island. Some gather in hopes of resolution, some in favor of war, and Kandida is tasked to broker a treaty between the races, wherein everyone might simply agree to disagree. And so the demons gather under a banner of a truce. But the demons still harbor many bitter disagreements with one another. The Congress must have an arbiter of some kind, someone is Buffy Summers. Buffy is horrified and disgusted to be included. After all, she is not a demon...is she? She knows so little about her powers that she cannot say for certain where they truly spring from. How can she stop them? How can she stop them from swallowing in the darkness without becoming part of it? Can she possibly agree to a truce with all the horrors of the world, and allow them to come Providence without any attempt to stop them? And does she have a choice?
