The White House White House Historical Association 2002 A stunning collection of essays and illustrations offers readers a colorful retrospective of the people who have occupied the presidential mansion since 1800. (History)

Eleanor Roosevelt's Views on Diplomacy and Democracy Dario Fazzi 2020-06-29 "This volume fills a void in current studies of Eleanor Roosevelt. Offering a comprehensive analysis of Roosevelt as a diplomat during the Cold War era, it is particularly insightful in analyzing her position on United States race relations while at the United Nations. It provides a new look at Roosevelt's leadership from an American perspective played out on a global stage."- Maurine H. Beasley, Professor Emerita, University of Maryland College Park, USA "My grandmother was an ardent "small-d" democrat, as well as a Democrat - but she didn't think we were very mature in our living of it! This well-written and illuminating collection of essays, focused on what ER thought it meant to be a global citizen, offers a unique perspective of her views on a host of issues. Let us hope these fresh insights can inspire young people today to construct that better world to which she dedicated much of her life." - Anna Eleanor Roosevelt This book focuses on Eleanor Roosevelt's multifaceted agenda for the world. It highlights her advocacy of human rights, multilateral diplomacy, and transnationalism, and it emphasizes her challenge to gendered norms and racial relations. The essays of this collection describe Eleanor Roosevelt as a public intellectual, a politician, a public diplomat, and an activist. She was, undeniably, one of the protagonists of the twentieth century and a proactive interpreter of the many changes it brought about. She went through two world wars, the harshness of the Great Depression, and the emergence of nuclear confrontation, and she deciphered such crises as the product of misleading nationalism and egoism. Against them, she offered her commitment to people's education as an example of civic engagement, which she considered necessary for the functioning of any democratic order. Such was the world Eleanor Roosevelt envisioned and tried to build - symbolically and practically - one where people, the citizens of the world, may really be at the center of international affairs.

The Eleanor Roosevelt Papers: The human rights years, 1949-1952 Eleanor Roosevelt 2009 Volume 1 chronicles Eleanor Roosevelt's development as diplomat, politician, and journalist in the years 1945-1948. It is filled with original writings and speeches that have been annotated and made easily accessible through a comprehensive index. This is part of the Eleanor Roosevelt Papers Project as the first of a five-volume set covering the years 1945-1962.

The Eleanor Roosevelt Papers ANONIMO 2009-10-01

Eleanor and Franklin Joseph P. Lash 1971

Eleanor and Franklin Joseph P. Lash 2014-09-08 The #1 New York Times Bestseller-Winner of the Pulitzer Prize and National Book Award In his extraordinary biography of the major political couple of the twentieth century, Joseph P. Lash reconstructs from Eleanor Roosevelt's personal papers her early life and four-decade marriage to the four-time president who brought America back from the Great Depression and helped to win World War II. The result is an intimate look at the vibrant private and public worlds of two incomparable people.

Sara and Eleanor Jan Pottker 2014-02-04 We think we know the story of Eleanor Roosevelt--the

shy, awkward girl who would marry Franklin Roosevelt and redefine the role of First Lady, becoming a civil rights activist and an inspiration to generations of young women. As legend has it, the bane of Eleanor's life was her demanding and domineering mother-in-law, FDR's mother Sara Delano Roosevelt. Biographers have overlooked the complexity of a relationship that had, over the years, been reinterpreted and embellished by Eleanor herself. Through diaries, letters, and interviews with Roosevelt family and friends, Jan Pottker uncovers a story never before told. The result is a triumphant blend of social history and psychological insight--a revealing look at Eleanor Roosevelt and the woman who made her historic achievements possible.

Tomorrow Is Now Eleanor Roosevelt 2012-10-30 Available again in time for election season, Eleanor Roosevelt's most important book--a battle cry for civil rights as relevant and influential now as it was when first published in 1963, *Tomorrow Is Now* is Eleanor Roosevelt's manifesto and her final effort to move America toward the community she hoped it would become. In bold, blunt prose, one of the greatest First Ladies of American history traces her country's struggle to embrace democracy and presents her declaration against fear, timidity, complacency, and national arrogance. An open, unrestrained look into her mind and heart as well as a clarion call to action, *Tomorrow Is Now* is the work Eleanor Roosevelt willed herself to stay alive to finish writing. For this edition, former U.S. President Bill Clinton contributes a new foreword and Roosevelt historian Allida Black provides an authoritative introduction focusing on Eleanor Roosevelt's diplomatic career. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Presidential Courage Michael R. Beschloss 2008-02-05 Documents crucial historical moments in each of the first forty-three presidencies during which the future of the United States has been dramatically affected by a bold executive decision, in an account that offers insight into the factors that influenced the most difficult choices made by each president. Reprint. 100,000 first printing.

Eleanor and Franklin : the story of their relationship, based on Eleanor Roosevelt's private papers JOSEPH P. LASH 1971

Eleanor Roosevelt Geraldine Kidd 2017-11-20 Memorialised as a US heroine and an iconoclastic humanitarian who sought to protect society's marginalised, Eleanor Roosevelt also, at times, disappointed contemporaries and biographers with some of her stances. Examining a period of her life that has not been extensively explored, this book challenges the previously held universality of Eleanor Roosevelt's humanitarianism. The Palestinian question is used as a case study to explore the practical application of her commitment to social justice, and the author argues that, at times, Roosevelt's humanitarianism was illogical, limited and flawed by pragmatism. New insights are provided into Eleanor Roosevelt's human rights activism - its dichotomies, its inspiration, and the effect it had on US relations with the Middle East. This book will appeal to academics working across a range of disciplines including history, diplomatic history, American studies, Middle Eastern studies, US foreign policy, human rights and women's studies.

The Papers of Eleanor Roosevelt, 1945-1962 Franklin D. Roosevelt Library 2003 Presents documents related to the work of Eleanor Roosevelt as a U.S. delegate to the United Nations from 1945 to 1952. Reproduces correspondence; publications and documents from U.S. diplomats and UN delegates; special reports on political, socioeconomic, and military affairs; statistical studies; interviews and minutes of meetings with foreign officials; full text of important U.S. delegation correspondence; voluminous reports; and translations of high-level foreign government documents.

Doris Fleeson Carolyn Saylor 2011-11-01 "She was my idol," said columnist Mary McGrory. McGrory, in writing of women, referred to Doris Fleeson as "incomparably the first political journalist of her time." Fleeson was, in fact, the first woman in the United States to become a nationally syndicated political columnist. In 1945, with the encouragement of Henry Mencken, she launched her column. In her career she would write some 5,500 columns during the next twenty-two years. Fleeson's appearance could be disarming. Once at a party Lady Bird Johnson exclaimed, "What a gorgeous dress, Doris. It makes you look just like a sweet, old-fashioned girl." The wife of Senator Stuart Symington interjected, "Yes, just a sweet old-fashioned girl with a shiv in her hand." CAROLYN SAYLER lives in Lyons, Kansas, ten miles

from the town of Sterling where Doris Fleeson was born in 1901. Knowing members of the Fleeson family, she began researching the life of the columnist whose straightforward take on Washington became a daily fix for newspaper readers across the nation. Sayler has a background in journalism as a member of a Kansas newspaper family. She is the author of a history of Manhattan, Kansas, which tells of the town's founding during the Free State struggle, its strong connections with New England, and its abolitionist college, now Kansas State University.

A Guide to the Papers of Eleanor Roosevelt, 1933-1945 Eleanor Roosevelt 1986

The Eleanor Roosevelt Papers Eleanor Roosevelt 2010

The Quotable Eleanor Roosevelt Michele Wehrwein Albion 2022-04-15 "Clearly the definitive book of Eleanor Roosevelt quotes. Albion does excellent work weeding out all the apocryphal quotes so often attributed to Eleanor Roosevelt, giving us only the real thing."--Christy Regenhardt, associate editor of *The Eleanor Roosevelt Papers, Volume 2* "Eleanor Roosevelt remains a compelling and interesting person, and these quotes give her greater voice."--Kenneth Bindas, author of *Remembering the Great Depression in the Rural South Born in the late 1800s to one of the wealthiest families in New York City, Eleanor Roosevelt seemed destined for a traditional woman's role within a sedate Victorian life. Instead, she married her fifth cousin and was flung into the highest levels of American politics, culminating in Franklin's unprecedented four-term presidency. While previous first ladies refrained from public discussion of their personal views, Eleanor's bold opinions on political, social, and racial issues took many by surprise. She held press conferences and wrote a syndicated column. She spoke at national conventions, granted interviews, and often made appearances on her husband's behalf. Her own influence lasted years beyond his death. She advocated for human rights, worked with the United Nations, and supported what later became the civil rights movement. The fascinating quotes in this collection are the words of an articulate, honest, and thoughtful woman. Of war, she said, "I hope the day will come when all that inventing and mechanical genius will be used for other purposes." At a time when racism prevailed, Eleanor said, "We must be proud of every one of our citizens, for regardless of nationality, or race, every one contributes to the welfare and culture of the nation." Organized by topic--government, money, art, education, class, relationships, emotions--these quotations reveal the personal thoughts Roosevelt shared in letters and conversations alongside the strong opinions she expressed in speeches and interviews, giving evidence to her character and her beliefs. Her words continue to resonate today.*

Human Rights and the Care of the Self Alexandre Lefebvre 2018-04-19 When we think of human rights we assume that they are meant to protect people from serious social, legal, and political abuses and to advance global justice. In *Human Rights and the Care of the Self* Alexandre Lefebvre turns this assumption on its head, showing how the value of human rights also lies in enabling ethical practices of self-transformation. Drawing on Foucault's notion of "care of the self," Lefebvre turns to some of the most celebrated authors and activists in the history of human rights--such as Mary Wollstonecraft, Henri Bergson, Eleanor Roosevelt, and Charles Malik--to discover a vision of human rights as a tool for individuals to work on, improve, and transform themselves for their own sake. This new perspective allows us to appreciate a crucial dimension of human rights, one that can help us to care for ourselves in light of pressing social and psychological problems, such as loneliness, fear, hatred, patriarchy, meaninglessness, boredom, and indignity.

Refuge Must Be Given John F. Sears 2021-05-15 *Refuge Must Be Given* details the evolution of Eleanor Roosevelt from someone who harbored negative impressions of Jews to become a leading Gentile champion of Israel in the United States. The book explores, for the first time, Roosevelt's partnership with the Quaker leader Clarence Pickett in seeking to admit more refugees into the United States, and her relationship with Undersecretary of State Sumner Welles, who was sympathetic to the victims of Nazi persecution yet defended a visa process that failed both Jewish and non-Jewish refugees. After the war, as a member of the American delegation to the United Nations, Eleanor Roosevelt slowly came to the conclusion that the partition of Palestine was the only solution both for the Jews in the displaced persons camps in Europe, and for the conflict between the Arabs and the Jews. When Israel became a state, she became deeply involved in supporting the work of Youth Aliyah and Hadassah, its American sponsor, in bringing Jewish refugee children to Israel and training them to become productive citizens. Her devotion to Israel reflected some of her deepest beliefs about education, citizenship, and community building. Her excitement about Israel's accomplishments and her cultural biases, however, blinded her to the impact of Israel's founding on the Arabs. Visiting the new nation four times and advocating on Israel's behalf created a warm bond not

only between her and the people of Israel, but between her and the American Jewish community. The Eleanor Roosevelt Papers ANONIMO 2006-10-01 Human rights. Global relations. The role of women. U.S. politics. Eleanor Roosevelt was a trailblazer in many arenas. Her writings are essential tools to better understand American politics, diplomacy and policy, and the struggle to implement democracy domestically and internationally in the first two-thirds of the 20th century.

A Guide to the Papers of Eleanor Roosevelt, 1933-1945 1986

Eleanor and Franklin Joseph R. Lash 1971

The Eleanor Roosevelt Papers Eleanor Roosevelt 2009 Foreword by Senator Hillary Rodham Clinton. Chronicling her development as diplomat, politician and journalist in the years 1945 to 1948, The Eleanor Roosevelt Papers Project: The Human Rights Years is filled with original writings and speeches that have been thoughtfully annotated and made easily accessible through a comprehensive index. Enhanced with more than 130 illustrations and a chronology, Roosevelt's thoughts and experiences are deliberately connected to the wider cultural, political and historical context. This unique collection was developed by The Eleanor Roosevelt Papers Project as the first of a five volume set covering the years 1945 through 1962. In total, this definitive documentary edition of Roosevelt's political writings will be comprised of about 70 percent previously unpublished material that offers key, inside perspective of the United Nations, Cold War politics and the New Frontier.

Courage in a Dangerous World Eleanor Roosevelt 1999 A collection of writings

The Papers of Eleanor Roosevelt, 1945-1952 Robert Lester 2004-03-01

Eleanor Roosevelt, Volume 1 Blanche Wiesen Cook 1993-03-01 The central volume in the definitive biography of America's most important First Lady. "Engrossing" (Boston Globe). The captivating second volume of this Eleanor Roosevelt biography covers tumultuous era of the Great Depression, the New Deal, and the gathering storms of World War II, the years of the Roosevelts' greatest challenges and finest achievements. In her remarkably engaging narrative, Cook gives us the complete Eleanor Roosevelt—an adventurous, romantic woman, a devoted wife and mother, and a visionary policymaker and social activist who often took unpopular stands, counter to her husband's policies, especially on issues such as racial justice and women's rights. A biography of scholarship and daring, it is a book for all readers of American history.

Eleanor Roosevelt and the Anti-Nuclear Movement Dario Fazzi 2016-12-19 This book explores Eleanor Roosevelt's involvement in the global campaign for nuclear disarmament. Based on an extensive multi-archival research, it assesses her overall contribution to the global anti-nuclear campaign of the early cold war and shows how she constantly tried to raise awareness of the real hazards of nuclear testing. She strove to educate the general public about the implications of the nuclear arms race and, in doing so, she became for many a trustworthy anti-nuclear leader and a reliable voice of conscience.?

The Papers of Eleanor Roosevelt, 1945-1952 Eleanor Roosevelt 2003-01-01

Eleanor Roosevelt Franklin D. Roosevelt Library 1971

The Eleanor Roosevelt Papers Project Eleanor Roosevelt 2007 Chronicling Eleanor Roosevelt's development as diplomat, journalist, and political strategist in the years 1945 to 1948, this publication is filled with original writings and speeches.

Women in the Civil Rights Movement Vicki L. Crawford 1993 The 16th volume in a series published by Carlson Publishing Inc., PO Box 023350, Brooklyn, NY 11202-0067. Seventeen papers presented at the conference on [title] held in Atlanta, Georgia, October 1988 focus on contributions of African-American women during the civil rights movement as activists, journalists, students, entertainers, and attorneys. The studies bring forth important, yet little known, individual and collective efforts that demonstrate the extent of women's leadership in the movement. Annotation copyrighted by Book News, Inc., Portland, OR

Agency and the Holocaust Thomas Kühne 2020-04-28 The book assembles case studies on the human dimension of the Holocaust as illuminated in the academic work of preeminent Holocaust scholar Deborah Dwork, the founding director of the Strassler Center for Holocaust and Genocide Studies, home of the first doctoral program focusing solely on the Holocaust and other genocides. Written by fourteen of her former doctoral students, its chapters explore how agency, a key category in recent Holocaust studies and the work of Dwork, works in a variety of different 'small' settings - such as a specific locale or region, an organization, or a group of individuals.

Eleanor Roosevelt in Her Own Words John M. Shea 2015-12-15 Eleanor Roosevelt wasn't content to be a seldom-seen, never-heard First Lady. Instead, she worked tirelessly for the many causes dear to her heart, including the rights of African Americans, women, and the poor.

After Franklin D. Roosevelt's death, she traveled the world promoting peace in the aftermath of World War II. Roosevelt was so beloved she became known as the "First Lady of the World." This extraordinary woman's life and work is presented in this charming biography that utilizes her own words from her prolific writings. Roosevelt's wit, charm, and intelligence shine in each passage, while carefully chosen photographs reflect important moments in her life.

If You Ask Me Eleanor Roosevelt 2018-10-09 Experience the timeless wit and wisdom of Eleanor Roosevelt in this annotated collection of candid advice columns that she wrote for more than twenty years. In 1941, Eleanor Roosevelt embarked on a new career as an advice columnist. She had already transformed the role of first lady with her regular press conferences, her activism on behalf of women, minorities, and youth, her lecture tours, and her syndicated newspaper column. When Ladies Home Journal offered her an advice column, she embraced it as yet another way for her to connect with the public. "If You Ask Me" quickly became a lifeline for Americans of all ages. Over the twenty years that Eleanor wrote her advice column, no question was too trivial and no topic was out of bounds. Practical, warm-hearted, and often witty, Eleanor's answers were so forthright her editors included a disclaimer that her views were not necessarily those of the magazines or the Roosevelt administration. Asked, for example, if she had any Republican friends, she replied, "I hope so." Queried about whether or when she would retire, she said, "I never plan ahead." As for the suggestion that federal or state governments build public bomb shelters, she considered the idea "nonsense." Covering a wide variety of topics—everything from war, peace, and politics to love, marriage, religion, and popular culture—these columns reveal Eleanor Roosevelt's warmth, humanity, and timeless relevance.

Accidental Presidents Jared Cohen 2020-01-28 This New York Times bestselling "deep dive into the terms of eight former presidents is chock-full of political hijinks—and déjà vu" (Vanity Fair) and provides a fascinating look at the men who came to the office without being elected to it, showing how each affected the nation and world. The strength and prestige of the American presidency has waxed and waned since George Washington. Eight men have succeeded to the presidency when the incumbent died in office. In one way or another they vastly changed our history. Only Theodore Roosevelt would have been elected in his own right. Only TR, Truman, Coolidge, and LBJ were re-elected. John Tyler succeeded William Henry Harrison who died 30 days into his term. He was kicked out of his party and became the first president threatened with impeachment. Millard Fillmore succeeded esteemed General Zachary Taylor. He immediately sacked the entire cabinet and delayed an inevitable Civil War by standing with Henry Clay's compromise of 1850. Andrew Johnson, who succeeded our greatest president, sided with remnants of the Confederacy in Reconstruction. Chester Arthur, the embodiment of the spoils system, was so reviled as James Garfield's successor that he had to defend himself against plotting Garfield's assassination; but he reformed the civil service. Theodore Roosevelt broke up the trusts. Calvin Coolidge silently cooled down the Harding scandals and preserved the White House for the Republican Herbert Hoover and the Great Depression. Harry Truman surprised everybody when he succeeded the great FDR and proved an able and accomplished president. Lyndon B. Johnson was named to deliver Texas electorally. He led the nation forward on Civil Rights but failed on Vietnam. *Accidental Presidents* shows that "history unfolds in death as well as in life" (The Wall Street Journal) and adds immeasurably to our understanding of the power and limits of the American presidency in critical times.

Eleanor David Michaelis 2021-10-19 Presents a breakthrough portrait of America's longest-serving first lady that covers her major contributions throughout critical historical events and her essential role in advancing international human rights.

Our Eleanor Candace Fleming 2005-10 Chronicles the life of Eleanor Roosevelt, from her birth to wealthy parents, to her marriage to Franklin Delano Roosevelt, to her role as a wife, mother, first lady, and diplomat.

Roosevelt and Churchill, 1939-1941: The Partnership That Saved the West Joseph P. Lash 2021-12-06 Using the Roosevelt-Churchill correspondence, British War Cabinet and Foreign Office files and Roosevelt Map Room papers, Joseph P. Lash takes a fresh look at men and events in the critical months between the outbreak of World War II in September 1939 and Pearl Harbor. He brings out the similarities and contrasts between Roosevelt and Churchill, where they were great or flawed, how each sought to manipulate the other but always in the framework of common purposes, most importantly their understanding of the importance of sea power and of the necessity of Anglo-American naval supremacy. "[Joseph Lash] has written an excellent account, full of shrewd personal and political insights and based on a real command of the sources and an ability to organize his material into a continuously interesting

narrative. Much of the story is familiar, but Mr. Lash has added some telling new details from the archives at Hyde Park and in the British Public Record Office..." – *The New York Times* "[A] rich account of a remarkable collaboration during the pre-Pearl Harbor years of WW II... Throughout Lash examines with candor and admiration how FDR manipulated Congress, the bureaucracy, and public opinion, working with Churchill on the phrasing and timing of steps toward American entry into the war." – Kirkus "Joseph Lash has once again demonstrated his gift for blending diligent historical research with the human drama of an extraordinary relationship. His chronicle of Roosevelt and Churchill is absorbing and exciting; it will also be an invaluable document for any future exploration of the struggle for democratic survival in this century." – James A. Wechsler, *Editorial Page Editor, New York Post* "A splendid work – incisive in its analysis, compelling in its narrative, sensitive in its judgments. It is quite worthy of its protagonists – and what more can one possibly say?" – Arthur Schlesinger, Jr. "[A] perceptive, well organized and well-written exploration both of his two main characters and of a large supporting cast... The book is... a pleasure [...] to read." – *History* "The publication of Lash's book is an important event in the historiography of World War II... Lash has accomplished an impressive historical synthesis." – *Reviews in American History* "There is much to praise in this volume, a book which undoubtedly will be widely read... Lash is a first-rate writer and researcher." – *Political Science Quarterly* "[A] fascinating book." – *The Virginia Quarterly Review* "The major strands of this story have long been familiar, but the author adds many revealing and colorful details... he writes superbly." – *Foreign Affairs* "This is a beautifully written book which captures the spirit of the two leaders and is well worth the time spent reading it. Lash offers some thoughtful insights into the personalities of both Churchill and Roosevelt as well as some perceptive comments on their relationship. His picture is clear; Roosevelt and Churchill, for all of their faults, were the great men which the times demanded." – *The American Historical Review*

The Eleanor Roosevelt Papers: pt. 1. The human rights years, 1945-1946 Eleanor Roosevelt 2009

The Eleanor Roosevelt Papers: The human rights years, 1945-1948 Eleanor Roosevelt 2007
Volume 1 chronicles Eleanor Roosevelt's development as diplomat, politician, and journalist in the years 1945-1948. It is filled with original writings and speeches that have been annotated and made easily accessible through a comprehensive index. This is part of the Eleanor Roosevelt Papers Project as the first of a five-volume set covering the years 1945-1962.

The Papers of Eleanor Roosevelt, 1933-1945 Boehm, Randolph 1986
