Deep Change Gerald Ponder 2005-11-01 This book presents cases of schools (Part One) and programs at the district level and beyond (Part Two) in which reform, while driven by high-stakes accountability, became larger and more complex through data-driven dialogue, culture change, organizational learning, and other elements of high performing cultures. Commentaries on cross-case patterns by Ann Lieberman and Michael Fullan and a chapter on "now what?" provide implications for initiating deep change that results in improved student learning outcomes even in challenging activity settings.

English Learners Left Behind Kate Menken 2008-01-01 This book explores how high-stakes tests mandated by No Child Left Behind have become de facto language policy in U.S. schools, detailing how testing has shaped curriculum, instruction, and the myriad ways that tests are now a defining force in the daily lives of English Language Learners and the educators who serve them.

Critical Literacy Practice Bogum Yoon 2015-08-17 This edited book shows how critical literacy can be applied in and outside the classroom setting. It shows educators how critical theory is applied in practice using studies in K-16 settings, kindergarten through university contexts. By providing specific examples of critical literacy practice in the classroom and beyond, the book aims to help teachers, researchers and teacher educators make clear connections between theory and practice in critical literacy.

Testfolgen im Bildungsbereich Ulla Claire Prieß-Buchheit 2016 Geänderte Curricula, Ressourcenumverteilungen, gelockerte Zulassungsbeschränkungen: Testfolgen sind im Bildungssystem omnipräsent. In diesem Buch werden Testfolgen von Large Scale Assessments mit einem deontischen Charakter untersucht, also Testfolgen, bei denen jemand aufgefordert wird, etwas zu tun. Systematisch wird der Frage nachgegangen: Was geschieht nach dem Ende der Expansion standardisierter Testverfahren ist in der pädagogischen Diagnostik die Frage nach legitimen und validen Testfolgen virulent geworden. Vorge stellt wird in diesem Buch die Studie "Testfolgen im Bildungsbereich", die einen neuen Zugriff auf das Phänomen der Testfolgen zeigt. In einem US-amerikanisch-deutschen Vergleich werden die Umgangsweisen mit Tests und die Aktionen bei Testfolgen durchleuchtet. Testfolgen werden zunächst systematisch und dann auf ihre Validität und Legitimität zu prüfen. Mit dem Ansatz der Sprechakttheorie gelingt es, Geltungsansprüche der Testfolgen zu differenzieren und die ersten Grundüberlegungen über Diskursverfahren bei der Festlegung sinnvoller Testfolgen anzustellen. Die Ergebnisse zeigen deutlich, dass Forschungsergebnisse von Large Scale Assessments von verschiedensten Stakeholdern konsumiert, verwertet und als Argumente in demokratische Entscheidungsprozesse eingebracht werden.

Co-Teaching for English Learners Andrea Honigsfeld 2020-09-01 This edited volume examines co-teaching and integrated service delivery for English learners (ELs). Through research and documentary accounts, it explores the collaborative instructional cycle—co-planning, co-instruction, co-assessment, and reflection practices—of co-taught programs for ELs. This volume presents current, classroom-based, practitioner-oriented research related to co-taught programs for ELs and offers authentic evidence and practical recommendations that yield positive outcomes for this student population.

Resources in Education 1996
Unruly Catholic Women Writers Isabella DelRosso 2013-11-01 A literary anthology exploring contemporary Catholic women's experiences. This unique literary anthology is devoted to unruly Catholic women. In short stories, poems, personal essays, and drama, the contributors describe women's struggles with Catholicism and also complicate contemporary understandings of women's relationships to their faith. Catholicism often oppresses the women in creative pieces, but it also inspires them to challenge literary, social, political, and religious hierarchies. The collection reflects the considerations of a wide range of women from a variety of ethnic backgrounds, geographic locations, and generations: they encompass the gamut of reactions to the Catholic experience—humor, anger, nostalgia, critique, appreciation, and engagement or rejection on one's own terms. Authors address real life versus Catholic dogma, motherhood, childhood, alienation from the Church, Catholic school days, mentors and exemplary figures, Church strictures on women's sexualities, and leaving or remaining in the Church among many other experiences. Readers will find this a rich and multifaceted exploration, one that offers new perspectives and moments of recognition.

Writing: Ten Core Concepts Robert P. Yagelski 2014-01-01 WRITING: TEN CORE CONCEPTS is based on ten fundamental lessons—the Core Concepts—that student writers must learn to become sophisticated writers. The thorough integration of these Core Concepts distinguishes the book from all other writing guides. Most composition textbooks present far more material than students could ever grasp and retain in a single semester. That approach waters down the most essential lessons students need to learn for their different writing tasks. Emphasizing writing as an interaction between a writer and a reader, WRITING: TEN CORE CONCEPTS offers students guidance on the main aims of writing and a way to participate in the important conversations that shape our lives. Each student text is packaged with a free Cengage Essential Reference Card to the MLA HANDBOOK, Eighth Edition. Important Media content referenced within the product description or the product text may not be available in the ebook version.

Preparation for Health Career Advancement for American Indians and Alaska Natives Indian Health Service 1973
The New Accountability Martin Carnoy 2003-12-16 When it comes to the issue of US education reform, hopeful politicians, liberal and conservative alike, have long touted the promises of 'standards-based accountability'. But do accountability-based reforms actually work? What happens when they encounter the formidable challenge of the comprehensive high school? The New Accountability explores the current wave of assessment-based accountability at the high school level in the United States.

Reconceptualizing the Role of Critical Dialogue in American Classrooms Kibler 2020-11-20 Acknowledging teacher and student dialogue as key to student development, this volume takes a critical perspective on notions of classroom participation, extending previous scholarship to illustrate how critical, dialogic pedagogies can promote equity and inclusivity. In proposing and outlining the parameters of "critical dialogic education," the contributors present multimodal data to consider aspects of teacher education: classroom environments; and curricular innovations which promote critical and dialogical student interaction, civic engagement, and linguistic versatility. This volume will be of interest to scholars, postgraduate students, and researchers working in the fields of language, classroom discourse, social justice, and critical pedagogies, as well as teacher educators and professional development leaders working with classroom teachers.
