pedicab driver, he did not think twice. Surely, he could not say no to an offer that would give him an easy PhP5,000-PhP10,000 a day. Who would? For him who was earning a little just to survive a day, the job was a big catch. But only because it was more than just transporting passengers, it involved him being an accomplice for a drug business ...

Roald Dahl THE WITCHES - PBworks

A REAL WITCH gets the same pleasure from squelching a child as you get from eating a plateful of strawberries and thick cream. She reckons on doing away with one child a week. Anything less than that and she becomes grumpy. One child a week is fifty-two a year. Squish them and squiggle them and make them disappear. That is the motto of all witches. Very carefully a ...

Goal Setting Habit Stacking Ebook

habit could be spending a half-hour every day working toward it (or a couple of hours on the weekends). If your vision of success is reaching a specific health goal, your habit could be twice-weekly meal prep or prioritizing 4 workouts a week. If your vision of success is to feel more present or connected, your habit could be dedicating 10 ...

Roald Dahl THE WITCHES - MIDDLE school English LITERATURE

about the whole day long. Even if she is working as a cashier in a supermarket or typing letters for a businessman or driving round in a fancy car (and she could be doing any of these things), her mind will always be plotting and scheming and churning and burning and whiz-zing and phizzing with murderous bloodthirsty thoughts. "Which child," she says to herself all day long, ...

opened our Learning Center doors all day every day for our students to come and do their online learning. This helped the parents of our students to be able to work, allowed our students to have positive interactions with other adults and children daily, and kept our students accountable to continue their education. I have loved getting to see them take breaks from their online ...

From Whom All Blessings Flow

I know very little about the exchange of securities, but I do know this, generally the time that it takes to double one's money is inversely proportional to the amount of risk one is willing to venture. Great Risk, short time. Lower risk, longer time. What's more, in a bear market, the timid slave's tactic of stuffing the money in the mattress may garner significantly more respect from ...
