Common Callings and Ordinary Virtues Brent Waters 2022-05-17 Every day, we do commonplace things and interact with ordinary people without giving them much thought. This volume offers a theological guide to thinking Christianly about the ordinary nature of everyday life. Leading ethicist Brent Waters shows that the activities and relationships we think of as mundane are actually expressions of love of neighbor that are vitally important to our wellbeing. We live out the Christian gospel in the contexts that define us and in the routine chores, practices, activities, and social settings that give ordinary life meaning. It is in those contexts that we discover what we were created for, to be, and to become.

Nikolski Nicolas Dickner 2009-08-24 "Nikolski" ist ein ungemein charmantes, fliegend leicht lesbares Buch, das von der ersten Seite an bezaubert. Tausende Kilometer voneinander getrennt und doch - ohne es zu wissen - derselben Familie angehörig, leben drei Jugendliche, drei in jeder Hinsicht grundverschiedene Charaktere. Es sind zwei Söhne und eine Nichte des ruhelosen Matrosen Jonas Doucet. Diesem in seiner Rastlosigkeit in nichts nachstehend, verlassen sie - gerade volljährig geworden - ihr jeweiliges Zuhause und ziehen nach Montréal. Da ist der namenlose Erzähler, der für kleines Geld in Montréal als Buchhändler jobbt. Die einzige Erinnerung an seinen Vater Jonas ist ein alter Kompass mit einer "magnetischen Anomalie", den er den "Nikolski-Kompass" getauft hat, weil er nicht exakt nach Norden weist, sondern stur auf den kleinen, hinter Alaska auf den Aleuten gelegenen Ort Nikolski... Noah ist der Halbbruder des Erzählers, seine Mutter ist eine von ihrem Stamm verstoßene Indianerin. Zwischen Manitoba und Alberta bringt er seine gesamte Kindheit damit zu, in einem Wohnmobil die Prärie zu durchkreuzen. Als Noah das Nomadentum seiner Mutter eines Tages reicht, bricht er nach Montréal auf, um dort ein Archäologiestudium zu beginnen. In seinem Gepäck ist das "dreiköpfige Buch", das auf geheimnisvolle Weise mit seiner Herkunft verbunden zu sein scheint... "Nikolski", der faszinierende Debütroman von Nicolas Dickner, ist das Lieblingsbuch der kanadischen Buchhändler und gilt bereits jetzt - wie Yann Martels "Schiffbruch mit Tiger" "Nikolski" - als Klassiker der neuen kanadischen Literatur.

Eine Liebe in Luxor Kate Pullinger 2017-09-15 Ein preisgekrönter historischer Roman aus Kanada um ein englisches Dienstmädchen im Ägypten des 19. Jahrhunderts - sinnlich, faszinierend, exotisch: "Eine Liebe in Luxor" von Kate Pullinger, der Co-Autorin von "Das Piano" England, 1862. Als Lady Duff Gordon von ihrem Arzt nach Ägypten geschickt wird, um dort im trockenen, warmen Klima ihre Tuberkulose

auszuheilen, bedeutet das auch für ihr Dienstmädchen Sally ein Exil auf unbestimmte Zeit. So begeben sich die beiden, schwankend zwischen Staunen und Angst vor der exotischen Fremde, gemeinsam auf eine Flussfahrt den Nil hinauf. Begleitet werden sie von Omar, einem erfinderischen Dragomanen und begnadeten Koch. Als Lady Duff Gordon in Luxor ihr Korsett gegen Männerkleider eintauscht, Arabisch lernt und zu wöchentlichen Salons einlädt, beginnt auch Sally, eine ungeahnte Freiheit zu genießen. Doch diese Freiheit hat ihre Grenzen ... "Ein Erzählstil, so sanft wie der Nil, dessen Atmosphäre Pullinger verführerisch heraufbeschwört." (The Independent)

**Close to Hugh** Marina Endicott 2015-10-16 This witty and compassionate national bestseller shows us how two generations in a seemingly ordinary small town navigate extraordinary rites of passage during a single, fateful week in autumn. **Close to Hugh** is a glorious, exuberant, poignant comic novel about youth and age, art and life, love and death--and about losing your mind and finding your heart's desire over the course of seven days one September. As the week opens, fifty-something Hugh Argyll, owner of the Argyll Art Gallery, has a jarring fall from a ladder--a fall that leaves him with a fractured off-kilter vision of his own life and the lives of his friends, who are going through crises (dying parents; disheveled marriages; wilting businesses) that leave them despairing, afraid, one half-step from going under emotionally or financially. Someone's going to have to fix all that, thinks Hugh--and it will probably be him. With exquisite insight and surefooted mastery, Endicott manages something surprising: to show us, with an unerring ear for the different cadences and concerns of both generations, two sets of friends on the cusp of simultaneous reinvention. And, as always in Endicott's wonderful fictional worlds, underpinning the sharp comedy and keenly observed drama is something more profound: a rare and rich perspective on what it means to rise and fall and rise again, and what in the end we owe those we love.

**New Year's Eve** Marina Endicott 2011-08-12 On New Year's Eve, Dixie and her husband Grady set off on a car trip. They plan to visit Grady's family, five hours away. But soon they're caught in a blizzard. They turn off the highway and go to their friend Ron's house. Both Grady and Ron are RCMP officers. When Ron must go out on duty, Grady goes with him. Dixie spends the evening sharing secrets with a couple of other RCMP wives. By midnight, Dixie has learned a thing or two about marriage, and about love. New Year's Eve leads to a turning point for Dixie and Grady. And a new road for them both.

**The Collar** Sue Sorensen 2014-12-25 Combining thematic analysis and stimulating close readings, 'The Collar' is a wide-ranging study of the many ways - heroic or comic, shrewd or dastardly - in which Christian clergy have been represented in literature, from George Herbert and Laurence Sterne, via Anthony Trollope, G.K. Chesterton, T.S. Eliot, and Graham Greene, to Susan Howatch and Robertson Davies, and in film and television, such as 'Pale Rider', 'The Thorn Birds', 'The Vicar of Dibley', and 'Father Ted'. Since all Christians are expected to be involved in ministry of some type, the assumptions of secular culture about ministers affect more than just clergy. Ranging across several nations (particularly Britain, the U.S., and Canada), denominations, and centuries, 'The Collar' encourages creative and faithful responses to the challenges of Christian leadership and develops awareness of the times when leadership expectations become too extreme. Using the framework of different media to make inquiries about pastoral passion, frustration, and fallibility, Sue Sorensen's well-informed, sprightly, and perceptive book will be helpful to anyone who enjoys evocative literature and film as well as to clergy and those interested in practical theology.

**The Little Shadows** Marina Endicott 2012 The Little Shadows tells the story of three sisters making their way in the world of vaudeville before and during the First World War. Setting off to make their fortune as a singing act after the untimely death of their father, the girls, Aurora, Clover and Bella, are overseen by their fond but barely coping Mama. The girls begin with little besides youth and hope but evolve into artists as they navigate their way to adulthood among a cast of extraordinary characters - charming

charlatans, unpredictable eccentrics, and some who seem ordinary but have magical gifts. Marina Endicott lures us onto the brightly lit stage and into the little shadows that lurk behind the curtain, and reveals how the art of vaudeville - In all its variety, madness, melodrama, hilarity and sorrow - echoes the art of life itself.

**Eleanor H. Porter's Pollyanna Roxanne Harde 2014-11-06** Appearing first as a weekly serial in The Christian Herald, Eleanor H. Porter's Pollyanna was first published in book form in 1913. This popular story of an impoverished orphan girl who travels from America's western frontier to live with her wealthy maternal Aunt Polly in the fictional east coast town of Beldingsville went through forty-seven printings in seven years and remains in print today in its original version, as well as in various translations and adaptations. The story's enduring appeal lies in Pollyanna's sunny personality and in her glad game, her playful attempt to accentuate the positive in every situation. In celebration of its centenary, this collection of thirteen original essays examines a wide variety of the novel's themes and concerns, as well as adaptations in film, manga, and translation. In this edited collection on Pollyanna, internationally respected and emerging scholars of children's literature consider Porter's work from modern critical perspectives. Contributors focus primarily on the novel itself but also examine Porter's sequel, Pollyanna Grows Up, and the various film versions and translations of the novel. With backgrounds in children's literature, cultural and film studies, philosophy, and religious studies, these scholars extend critical thinking about Porter's work beyond the thematic readings that have dominated previous scholarship. In doing so, the authors approach the novel from theoretical perspectives that examine what happens when Pollyanna engages with the world around her—her community and the natural environment—exposing the implicit philosophical, religious, and nationalist ideologies of the era in which Pollyanna was written. The final section is devoted to studies of adaptations of Porter's protagonist.

**The Difference Marina Endicott 2020-08-04** From one of our most critically acclaimed and beloved storytellers comes a sweeping novel set on board the Morning Light, a Nova Scotian merchant ship sailing through the south pacific in 1912. Kay and Thea are half-sisters, separated in age by almost twenty years, but deeply attached. When their stern father dies, Thea returns to Nova Scotia for her long-promised marriage to the captain of the Morning Light. But she cannot abandon her orphaned young sister, so Kay too embarks on a life-changing voyage to the other side of the world. At the heart of The Difference is a crystallizing moment in Micronesia: Thea, still mourning a miscarriage, forms a bond with a young boy from a remote island and takes him on board as her own son. Over time, the repercussions of this act force Kay, who considers the boy her brother, to examine her own assumptions--which are increasingly at odds with those of society around her--about what is forgivable and what is right. Inspired by a true story, Endicott shows us a now-vanished world in all its wonder, and in its darkness, prejudice and difficulty, too. She also brilliantly illuminates our present time through Kay's examination of the idea of "difference"--between people, classes, continents, cultures, customs and species. The Difference is a breathtaking novel by a writer with an astonishing ability to bring past worlds vividly to life while revealing the moral complexity of our own.

**Across Canada by Story Douglas Gibson 2015-09-01** More adventures from one of Canada's premier editors and storytellers Canada is a country rich in stories, and few take as much joy as Douglas Gibson in discovering them. As one of the country's leading editors and publishers for 40 years, he coaxed modern classics out of some of Canada's finest minds, and then took to telling his own stories in his first memoir, Stories About Storytellers. Gibson turned his memoir into a one-man stage show that eventually played almost 100 times, in all ten provinces, from coast to coast. As a literary tourist, he discovered even more about the land and its writers and harvested many more stories, from distant past and recent memory, to share. Now in Across Canada by Story, Gibson brings new stories about Robertson Davies, Jack Hodgins, W.O. Mitchell, Alistair MacLeod, and Alice Munro, and adds lively portraits of Al Purdy, Marshall McLuhan, Margaret Laurence, Guy Vanderhaeghe, Margaret Atwood, Wayne Johnson, Linwood Barclay, Michael Ondaatje, and many, many others. Whether fly fishing in Haida Gwaii or sailing off Labrador, Douglas Gibson is a first-rate ambassador for Canada and the power of great stories.

**At Home with the Templetons** Monica McInerney 2011-03-29 When the Templeton family takes up residence in an imposing and long-empty manor in the countryside of Victoria, Australia, the locals begin to buzz with gossip. The seven Templetons moved from England and seem unusual, peculiar even—especially when they begin to lead tours through the stately home while dressed in period costume. No one is more intrigued by the family than their neighbors, single mother Nina Donovan and her son, Tom. Though they try to keep their distance from the often shocking Templeton dramas, Nina and Tom find their lives unexpectedly entwined with this enigmatic family, much to the delight of Gracie, the youngest Templeton daughter. Then one day, a tragedy tears them all apart. In the grand estate, the stage is set for years of betrayal and heartbreak, love and affection, to be revealed—and, perhaps, resolved—as the Templetons try to make amends. At Home with the Templetons is Monica McInerney's best book yet—a captivating and moving story that spans two decades, illuminating the perils and pleasures of love, friendship, and family. **BONUS:** This edition contains excerpts from Monica McInerney's *Lola's Secret*, *The Faraday Girls*, *Family Baggage*, *The Alphabet Sisters*, *Greetings from Somewhere Else*, and *Upside Down Inside Out*.

The Little Shadows Marina Endicott 2012-09-04 Set in a vanished time, and in the fantastically rich world of vaudeville, The Little Shadows revolves around three sisters: Aurora, the eldest and most beautiful, sixteen when the book opens; thoughtful Clover, who is fourteen; and the youngest, joyous headstrong sprite Bella, who is thirteen. The girls, overseen by their fond but barely coping Mama, must make their living as a singing act after the untimely death of their father. They begin with little besides youth and hope, but Endicott's genius is to show how the three girls evolve into true artists. In gorgeous prose and through unforgettable characters, Marina Endicott takes us onto the brightly lit stage and then into the little shadows that lurk behind the curtain, and reveals how the art of vaudeville--in all its variety, madness, melodrama, hilarity and sorrow--echoes the art of life itself.
