[The Mindful Writing Workshop: Teaching in the Age of Stress and Trauma](#) Richard Koch 2019-04-17 “Though life occurs in events, it must be written about in moments.” Today’s youth are growing up in an age of stress and trauma, and nowhere is that more apparent than in the classroom. Absenteeism, emotional distraction, passivity, and unresponsiveness are all signs of children in need. Thankfully, it turns out that the workshop classroom, with limited but essential tuning, can be just the environment students in the grip of trauma need to become comfortable in themselves and break through into active learning. In *The Mindful Writing Workshop: Teaching in the Age of Stress and Trauma*, Professor Richard Koch offers clear, comprehensive, guided lessons that help teachers gain the insight necessary to adapt their instruction of writing to incorporate restorative and healing practices—practices that can improve the quality of learning and writing for all learners. Accessible, straightforward, and empowering, the approaches presented in *The Mindful Writing Workshop* will help previously indifferent or distracted students become engaged, increase their effort, deepen their resilience, and soon raise the quality of their writing, all while guiding teachers in creating a positive, collaborative, “doing” classroom.

Building Better Essays Gina Hogan 2012-01-06 Teaching writing as part of a building activity provides students with an easy to remember image that helps them understand and apply good writing construction. This building process helps them see how each writing block sets the foundation for the next block; as a result, their confidence in writing skills grows. The first foundational block is writing correct sentences, the second, writing effective paragraphs, and finally writing effective essays. Just as actual foundations require raw materials, so does each writing building block require specific elements. For example, in grammar, to build a correct sentence, you need nouns, verbs, prepositions, conjunctions, and other grammatical elements. As the third book of the Building Better series, *Building Better Essays* builds on students' knowledge of effective paragraph construction, covered in *Building Better Paragraphs*, to get them to the next step of putting paragraphs together successfully for coherent essays. Many writing books present content in too complex a manner without enough opportunities for practice or present so many topics that simply overwhelm the student. The Building Better series evolved to be flexible enough that they can also be used as a quick reference guide by all college students or writing instructors. Any student who needs help writing concise and clear essays can benefit from the pedagogy of Building Better Essays. Instructors looking for a rich focus on essay construction, simple and brief explanations that are easy to remember, and variety of practice exercises will find it in Building Better Essays. Learning Persuasive Writing and Argument Sally Jones 2018-05-13 Learning Persuasive Writing and Argument is an essential guide for all students wanting to develop their literacy skills and improve their grades in English assignments and examinations. Learning Persuasive Writing will enable the student to write convincingly in letters, leaflets, brochures and newspaper articles for example. The book also sets out how to write a well-balanced argument. It teaches the pupil how to structure their writing, putting forward a point of view, backing it up with convincing evidence, building up a relevant counter argument and knocking it down, as well as, putting forward their own comments and opinions. It focuses on discursive writing enabling the pupil to examine points for and against in a variety of subjects suitable for older children and teenage readers, healthy eating, fashion, social issues and many more. It includes a lively collection of writings, poems and a play to inspire the pupil. These are designed as starting points, ideal for the pupil who finds it difficult to think up ideas for writing, challenging them to recreate their own persuasive pieces. In addition to this the book teaches organisational and literary devices in persuasive writing, including, figurative language, emotive words, repetition, connectives and use of good vocabulary. The student will learn how to consider writing for the appropriate audience, how to vary sentence types in order to make writing more interesting, and the importance of using good spelling, punctuation and grammar. They will learn vital essay writing skills that will assist their studies in other areas of the curriculum. Learning Persuasive Writing and Argument, includes an exciting range of model answers and sample texts written by children and provides practice questions to test them. Common errors made by students are highlighted and corrected. It is packed with vital hints and tips to enable the pupil to be successful and gain good grades. Learning Persuasive Writing and Argument is ideal for home study and will reinforce the work done in school. It is a

From Struggling Students to Successful Writers in 7 Easy Steps Joanna Posey 2009-09 This Volume, is the first of 2 volumes that are being released together, but under separate covers. Volume 1, contains the instructional guide to teach special education students and English language learners to be successful writers, in 7 easy steps. In view of the increasing educational dropout rate of these special populations, this unique, simple program offers encouragement, hope, and success to students who are struggling in developing their writing skills. Not only is this program easy to learn and remember, but students are able to increase their writing skills in shorter periods of time. This Volume contains five, no-frills, bare-bones lesson plans along with teacher comments. It also includes reproducible Master Guide Sheets, and student Self-evaluation forms. The simplified color coding system is used as a consistent, predictable routine in each writing activity. This program, like no other, promotes student self-confidence and renewed interest in learning. The words, "I can't write" turn into "Yes, I can!" However, the best kept secret is that these 7 easy steps will help all students. Listen to what the kids are saying: "I had a lot of fun with Steps 1 to 7. They really helped me with my work," (comments from an 8th grade student). "The first thing I learned was Steps 1-7. I learned how to write better paragraphs," (comments from an 8th grade student). "I learned how to web my ideas using complete sentences," (comments from an 8th grade student). "I did really well on my writing assessment because I used the 7 steps," (comments from a 9th grade student) "I couldn't write a complete sentence. With these steps, I can write complete paragraphs and essays for Language Arts and Geography. I did well in my writing test, too," (comments from a 9th grade student). Listen to what teachers are saying: "I have been in meetings where parents have commented how effective her writing program has been with helping their kids. I've often heard parents express their gratitude for their child's success due to Ms. Posey's teaching," (comments from a junior high teacher). "After the 9th graders took the writing assessment, several of the students commented on how good they felt about their writing abilities that were a direct result of the efforts of Ms. Posey," (comments from a junior high teacher). "Her strategies and writing techniques resulted in 50% improvement, an impressive increase, in the scores of resource students for the 9th grade direct writing assessment. This is the highest achievement I've seen in my 30 years of teaching," (comments from a secondary special education teacher).
