Heroes and Demons (Two Book Bundle) Glenn G. Thater 2014-02-13 THE HERO AND THE FIEND When two immortal demons of frightening power rampage across Lomion City on an insatiable quest for blood and souls, most of the city watch flee for their lives. Who could blame them? No mortal can stand against such creatures and live. But Sergeant Thork would not flee when innocent lives were at risk. Thork would stand and fight to protect his family, his city, his people, no matter the odds, for he was bound by duty and girded with courage and cold steel. He was no great warrior, no famous hero, no knight in battle armor. He was just an ordinary man, a watchman. Must he sacrifice all that he has, all that he ever will have, to bar the demons' path? Hero and the Fiend is a twelve-thousand word novelette set in the same world, and featuring the same characters, as Glenn G. Thater's Harbinger of Doom series of fantasy novels and novellas. Hero, however, is a stand-alone story that requires no familiarity with his other books to enjoy. DEMON KING OF BERGHER When the Demon King of Bergher comes calling with an evil gift that can corrupt a man's soul and devour his will, Lord Torbin Malvegil and all his knights cannot keep him out. No gate or wall, no ward or prayer, no army, hero, or wizard's binding can hold the demon back. When all hope is lost, and his ladylove's life hangs in the balance, Torbin takes up his sword and stands alone against the ancient fiend — prepared to sacrifice all, even his immortality, to save his true love. The Demon King of Bergher is a short story set in the same world and featuring some of the same characters as Glenn G. Thater's Harbinger of Doom series of fantasy books.

Rouen with one goal: find and kill Dominic, the man responsible for the destruction of her entire family and wolf pack. When she discovers he is an Alpha surrounded by muscle-ripped shifters and equally as strong witches, she knows the only way she will get close enough to kill him is if she joins his dangerous and shady pack. But infiltrating them proves more challenging than she expects, especially when her new roommates turn out to be supernaturals with their own powers and agendas. She can't tell if the centuries-old, nosey vampire and fashion-sensitive witch are working with her or against her. Whether they are friends or enemies doesn't change things. Briar has a job to do and she is willing to do whatever it takes to quench her thirst for revenge, even if it means destroying her own soul.
