**Third Eye Awakening** Odyssey Because of the Warning From my Third Eye.... I did not answer the door, and was not involved in the "interactions" because of the warnings given to me by my third eye. One of the sentences on the black screen behind my eyelids was.... "there will be a knock at the door." I Stopped Opening the Door To Anyone! After that message from my third eye, I became very uninterested in opening my front door, needless to say. Thankfully I was living in an apartment building where a person had to "buzz" first in order to get in. On the day the event happened...I was in the shower. I heard the buzzer phone go off. The person then gained entry into the building through someone else living in the building, knocked on the front door of my apartment, but neither me nor my roommate opened it. Clairaudience and Third Eye Working Together! After "the event" I would get messages clairaudient in the same manner as the black screen but via "hearing sentences." I found myself listening intently and taking in as much information as I could, trying not to "interrupt the transmission," and then find a pen and paper, to jot the sentences. I call these random Clairaudient messages, my Psychic downloads. My Twin Put My Life on the Line! Through clairaudience (Psychic download) I got a lot of information about my Twin Flame and his Karmic. Like how they were fighting because he told her about me being his Twin Flame.
