As this Jesus For President Politics Ordinary Radicals Shane Claiborne, it ends stirring living thing one of the favored book Jesus For President Politics Ordinary Radicals Shane Claiborne collections that we have. This is why you remain in the best website to see the incredible ebook to have.

Across the Spectrum Gregory A. Boyd 2022-08-16 This accessible yet comprehensive primer helps readers understand the breadth of viewpoints on major issues in evangelical theology, with chapters using the popular multiple-views format. This third edition of a well-received textbook (over 60,000 copies sold) has been updated and revised throughout. It examines positions taken by evangelical scholars on seventeen seminal issues. In addition, it offers end-of-chapter "For Further Reading" sections, an extensive glossary, and an appendix that addresses contrasting views on fifteen additional issues in contemporary evangelicalism.

Irresistible Revolution, Updated and Expanded Shane Claiborne 2016 In this 10th Anniversary Edition, Shane Claiborne uses examples from his own life to stir up questions about the church and the world. With new material throughout and a new chapter, Shane brings readers up to date on the "revolution"---adding new stories, updates on his community, and inspiration to live out this radical message.

Missional. Monastic. Mainline. Elaine A. Heath 2014-01-30 Here is the long-awaited volume that provides both the theoretical foundations and practical guidance for developing new monastic and missional communities in contexts that are theologically progressive, racially and economically diverse, and multicultural. This book contains the wisdom and perspectives of people who live and serve in missional, new monastic communities in United Methodist and other mainline traditions, and it describes new forms of theological education that are emerging to resource a new generation of Christian leaders. Heath and Duggins challenge Methodists, Lutherans, Episcopalians, Presbyterians, and other Christians to reach into their own robust, mainline heritage for resources to develop small, intentional communities that practice a rigorous life of prayer, hospitality, and justice.

T&T Clark Handbook of Anabaptism Brian C. Brewer 2021-12-30 By utilizing the contributions of a variety of scholars - theologians, historians, and biblical scholars - this book makes the complex and sometimes disparate Anabaptist movement more easily accessible. It does this by outlining Anabaptism's early history during the Reformation of the sixteenth century, its varied and distinctive theological convictions, and its ongoing challenges to and influence on contemporary Christianity. T&T Clark Handbook of Anabaptism comprises four sections: 1) Origins, 2) Doctrine, 3) Influences on Anabaptism, and 4) Contemporary Anabaptism and Relationship to Others. The volume concludes with a chapter on how contemporary Anabaptists interact with the wider Church in all its variety. While some of the authorities within the volume will disagree even with one another regarding Anabaptist origins, emphases on doctrine, and influence in the contemporary world, such differences represent the diversity that constitutes the history of this movement.

Common Prayer Pocket Edition Shane Claiborne 2012 " ... helps today's diverse church pray together across denominations."--Jacket.

What on Earth? Barney Wiget 2022-04-28 In his most famous Sermon, Jesus announces a Kingdom so counterintuitive that it appears upside down in contrast to conventional wisdom. By prescribing both a revolutionary personal piety and a radical social possibility he teaches us how to become better people who in turn make the world better. His vision for a countercultural Kingdom challenges our engagement with contemporary culture morally, socially, and even politically. The impact of this Kingdom "on the earth as it is in heaven," with a view to partnering with Jesus in his venture to nudge the world toward its intended design is the focus of this compelling treatment of the Sermon. By a lifestyle of holy nonconformity shaped by the "Blessed Attitudes" (Beatitudes), Jesus commissions his prophetic community to embody a social alternative that the world cannot imagine on its own and to foment a humble and loving cultural shift where the privileged and powerless flourish together in peace and justice. As previews of the coming attractions when Christ will return and reign as King over a new heaven and earth, Kingdom citizens work toward initiating such a world on earth as it is in heaven today.

The Irresistible Revolution Shane Claiborne 2006 A founding member of The Simple Way, a radical faith community in North Philadelphia, describes an authentic faith rooted in belief, action, and love, offering an invitation into the movement that begins inside each individual and extends into a broken world. Original. 20,000 first printing. \$15,000 ad/promo.

Follow Me to Freedom Shane Claiborne 2010-10 Followers of Christ yearn to see the world changed in compassionate, positive, effective ways. As prophetic voices, Shane Claiborne and John Perkins lead the way in this move to be the hands, feet and heart of Jesus. One is young; the other is decades older. One is a self-proclaimed reformed redneck who grew up in the hills of Tennessee and now lives in inner-city Philadelphia; the other is an African-American civil rights leader who was almost beaten to death by police in Mississippi, and went on to found a reconciliation movement and counsel three American presidents. Claiborne and Perkins draw on more than a century of combined following and learning, activating and leading. Together they craft a timely message for ordinary people willing to take radical steps to see real change happen. They start with Moses as a model and proceed to re-imagine the roles of leading and following in a world desperate for freedom.

The New Evangelical Social Engagement Brian Steensland 2014 Evangelicals are increasingly turning their attention to such issues as the environment, international human rights, economic development, racial reconciliation, and urban renewal. The New Evangelical Social Engagement maps this new religious terrain and spells out its significance.

Christology and Whiteness George Yancy 2012 This book explores Christology through the lens of whiteness, addressing whiteness as a site of privilege and power within the specific context of Christology. It asks whether or not Jesus' life and work offers theological, religious and ethical resources that can address the question of contemporary forms of white privilege. The text seeks to encourage ways of thinking about whiteness theologically through the mission of Jesus. In this sense, white Christians are encouraged to reflect on how their whiteness is a site of tension in relation to their theological and religious framework. A distinguished team of contributors explore key topics including the Christology of domination, different images of Jesus and the question of identification with Jesus, and the Black Jesus in the inner city.

Ascend Eric Stoltz 2009 Ascend: The Catholic Faith for a New Generation is a contemporary, scripture-rich, and dramatically visual exploration of the Catholic faith for young adults. With its engaging style, full-color graphics, and interesting sidebar articles, Ascend covers the basics of Christianity from a viewpoint that is Catholic yet ecumenically minded. There are chapter profiles on Christian role models from both ancient and modern times, and informative discussions of contemporary events from a Christian perspective. Discussion questions and book recommendations are included for each chapter; there is also an extensive glossary. Though oriented to young adults, Ascend provides an overview of Christianity that will appeal to all ages, Christians and non-Christians alike. "Finally something for young adult Catholics that actually speaks their language--blunt, personal, authentic and visual. Ascend's groundbreaking new way of presenting simple Gospel truths is a bold new invitation to the faith addressed directly to the future of the church."

--James Martin, S.J., author, *My Life with the Saints*

Red Letter Revolution Shane Claiborne 2012-10-08 For all the Christians facing conflict between Jesus' words and their own lives, for all the non-Christians who feel they rarely see Jesus' commands reflected in the choices of his followers, Red Letter Revolution is a blueprint for a new kind of Christianity, one consciously centered on the words of Jesus, the Bible's red letters. Framed as a captivating dialogue between Shane Claiborne, a progressive young evangelical, and Tony Campolo, a seasoned pastor and professor of sociology, Red Letter Revolution is a life-altering manifesto for skeptics and Christians alike. It is a call to a lifestyle that considers first and foremost Jesus' explicit, liberating message of sacrificial love. Shane and Tony candidly bring the words of Jesus to bear on contemporary issues of violence, community, Islam, hell, sexuality, civil disobedience, and twenty other critical topics for people of faith and conscience today. The resulting conversations reveal the striking truth that Christians guided unequivocally by the words of Jesus will frequently reach conclusions utterly contrary to those of mainstream evangelical Christianity. If the Jesus who speaks to you through the Gospels is at odds with the Christian culture you know, if you have ever wanted to stand up and say, "I love Jesus, but that's not me," Red Letter Revolution will prove that you are not alone—you may have been a Red Letter Christian all along. Endorsements: "This book, by a young and an elderly Christian, will help you decide how we Christians could change the world if we took the red letter words of Jesus literally and seriously." —President Jimmy Carter "In Red Letter Revolution the uncompromised truth of Jesus' teachings are given voice by two modern-day Christian leaders who do more than preach this Good News. They walk the talk and lead the way." —Archbishop Desmond Tutu "I started reading this book and couldn't stop. . . . Thank you, Tony and Shane. Thank you for this book. May the movement spread around the world." —Abuna Elias Chacour, Melkite Catholic Archbishop of Galilee "Red Letter Revolution is an adrenaline-producing conversation with prophetic bite." —Eugene H. Peterson, author of *The Message Bible* "I cannot over-emphasize or exaggerate the richness of this book." —Phyllis Tickle, author of *Emergence Christianity* "In this courageous and well-crafted book, we have a return to the core message of the Gospel from two Christians who first tried to live it themselves—and only then spoke." —Fr. Richard Rohr, O.F.M., Center for Action and Contemplation "Shane Claiborne and Tony Campolo are two of the most significant prophetic voices in the Christian world." —Rabbi Michael Lerner, editor of *Tikkun Magazine* (tikkun.org) "This is a must-read book for anyone who is seeking to take Jesus' call on their lives seriously." —Jim Wallis, founder and editor of *Sojourners* magazine "If you ever wished you could eavesdrop on a conversation with two of the world's most interesting and inspiring Christians, just turn to page one." —Brian D. McLaren, author/speaker (brianmclaren.net)

Hipster Christianity Brett McCracken 2010-08-01 Insider twentysomething Christian journalist Brett McCracken has grown up in the evangelical Christian subculture and observed the recent shift away from the "stained glass and steeples" old guard of traditional Christianity to a more unorthodox, stylized 21st-century church. This change raises a big issue for the church in our postmodern world: the question of cool. The question is whether or not Christianity can be, should be, or is, in fact, cool. This probing book is about an emerging category of Christians McCracken calls "Christian hipsters"—the unlikely fusion of the American obsessions with worldly "cool" and otherworldly religion—an analysis of what they're about, why they exist, and what it all means for Christianity and the church's relevancy and hipness in today's youth-oriented culture.

Die Taufe des Leviathan Heinrich Wilhelm Schäfer 2021-07-31 Politik steht zunehmend unter dem Einfluss von Religion, insbesondere in Nord- und Südamerika. Führer der evangelikal-pfingstlichen Bewegung verschaffen sich dort immer mehr politische Macht und bilden eine religiöse Rechte. Aus dem Leiden an sozialer Ungleichheit formen sie ein rückschrittliches Wählerpotenzial und durchlöchern die Grenze zwischen Religion und säkularer Politik. Dagegen positionieren sich auf der Linken religiöse Graswurzelbewegungen, die die Erfahrungen sozialer Ungleichheit in ethischen Protest umleiten. Heinrich Wilhelm Schäfer analysiert diese religiös-politischen Kämpfe um gesellschaftliche Macht und Laizität in den Amerikas und diskutiert die Möglichkeiten eines post-säkularen Dialogs.

The Theology of Dallas Willard Gary Black Jr. 2013-08-06 Evangelical Christianity in the United States is currently in a dramatic state of change. Yet amidst this sometimes tumultuous religious environment a rather unique blend of both ancient and contemporary Christian theology has found its way into the hearts and minds of emerging generations of Christians. The Theology of Dallas Willard both describes and conveys the essence of this increasingly popular and perhaps mediating view of the gospel of Jesus Christ. Blending both a prophetic critique with pastoral encouragement, Willard's unique understanding of the reality present within a life lived as a disciple of Jesus in the kingdom of God is attracting both new and traditional Christians to reconsider their faith.

The Future of Evangelicalism in America Candy Gunther Brown 2016-04-26 In *The Future of Evangelicalism in America*, thematic chapters on culture, spirituality, theology, politics, and ethnicity reveal the sources of the movement's dynamism, as well as significant challenges confronting the rising generations. A collaboration among scholars of history,

religious studies, theology, political science, and ethnic studies, the volume offers unique insight into a vibrant and sometimes controversial movement, the future of which is closely tied to the future of America.

Apprentice Steve Chalke 2009-08-30 The quest for meaning and purpose dwells within all of us. Jesus insisted that its fulfillment lay in a relationship with him. But what does that relationship look like—really? Apprentice calls spiritual pilgrims, both Christians and non-Christians, to exchange the shallow diversions of secular and religious culture for the pursuit of our true desires. In a book of refreshing honesty, great heart, and rich creativity, Steve Chalke guides us into an apprenticeship with the master teacher, Jesus. Embarking on a relational journey that engages us on every level, we walk with Jesus in an organic, whole-life learning experience, exploring ten areas foundational to the meaning and depth we crave. Apprentice encourages us to ask our most probing questions, embrace our doubts, and learn why we are driven to belong. Combining story and parable with thoughtful commentary, we discover the ancient art and discipline of apprenticeship— living lives stamped with the character, presence, and impact of Jesus.

Jesus for President Shane Claiborne 2022-10-04 Amid all the buzz of politics and elections, "Jesus for President" is a refreshing reminder that humanity's ultimate hope lies not in partisan political options but in the Jesus who gave his life for others.

Divine Rebels Deena Guzder 2011-05-01 In an effort to reclaim the fundamental principles of Christianity, moving it away from religious right-wing politics and towards the teachings of Jesus, the American Christian activists profiled in this book agitate for a society free from racism, patriarchy, bigotry, retribution, ecocide, torture, poverty, and militarism. These activists view their faith as a personal commitment with public implications; their world consists of people of religious faith protecting the weak and safeguarding the sacred. Recounting social justice activists on the frontlines of the Christian Left since the 1950s—including Daniel Berrigan, Roy Bourgeois, and SueZann Bosler--this book articulates their faith-based alternative to the mainstream conservative religious agenda and liberal cynicism and describes a long-standing American tradition, which began with the nation's earliest Quaker abolitionists.

Global Soccer Mom Shayne Moore 2011-01-04 Women are the caretakers of the world. Yet global HIV and AIDS and extreme poverty can seem overwhelming. Even if these things break our mother's hearts, how is a busy, full-time mom to get engaged and make a difference? Global Soccer Mom shows that everyday moms care deeply about these issues and long to engage the world in a meaningful way. Busy women everywhere will resonate with Shayne's story as a mother of three who learned she could make a difference on the global level. Follow Shayne's journey—sometimes humorous, sometimes poignant and learn how you can get involved too. Activist Shayne Moore knows the challenge of managing a home and the desire to make a difference for those who are suffering. As a full-time mom, she has journeyed from an insular suburban world into the arena of global advocacy, where she's worked alongside media superstars to effect change. Using the power of story, she inspires women everywhere to start right where they are and make a real difference. Moore's work has taken her far beyond her comfortable suburban home. She's travelled to international summits and was featured in a commercial with Julia Roberts, George Clooney, and Matt Damon. She's been interviewed by CNN, NBC, and The Wall Street Journal, and featured in a photo shoot in Vanity Fair's "Africa" issue. You CAN make a difference. Real change starts right where you are.

The Activist Impulse Jared S. Burkholder 2012-04-04 Anabaptists have often felt suspicious of American evangelicalism, and in turn evangelicals have found various reasons to dismiss the Anabaptist witness. Yet at various points in the past as well as the present, evangelicals and Anabaptists have found ample reason for conversation and much to appreciate about each other. The Activist Impulse represents the first book-length examination of the complex relationship between evangelicalism and Anabaptism in the past thirty years. It brings established experts and new voices together in an effort to explore the historical and theological intersection of these two rich traditions. Each of the essays provides fresh insight on at least one characteristic that both evangelicals and Anabaptists share--an impulse to engage society through the pursuit of active Christian witness.

Holy Mavericks Shayne Lee 2009-04 Joel Osteen, Paula White, T. D. Jakes, Rick Warren, and Brian McLaren pastor some of the largest churches in the nation, lead vast spiritual networks, write best-selling books, and are among the most influential preachers in American Protestantism today. Spurred by the phenomenal appeal of these religious innovators, sociologist Shayne Lee and historian Phillip Luke Sinitiere investigate how they operate and how their style of religious expression fits into America's cultural landscape. Drawing from the theory of religious economy, the authors offer new perspectives on evangelical leadership and key insights into why some religious movements thrive while others decline. Holy Mavericks provides a useful overview of contemporary evangelicalism while emphasizing the importance of "supply-side thinking" in understanding shifts in American religion. It reveals how the Christian world hosts a culture of celebrity very similar to the secular realm, particularly in terms of marketing, branding, and publicity. Holy Mavericks reaffirms that religion is always in conversation with the larger society in which it is embedded, and that it is imperative to understand how those religious suppliers who are able to change with the times will outlast those who are not.

The Deconstructed Church Gerardo Marti 2018-01-15 The Emerging Church Movement (ECM) is a creative, entrepreneurial religious movement that strives to achieve social legitimacy and spiritual vitality by actively disassociating from its roots in conservative, evangelical Christianity and "deconstructing" contemporary expressions of Christianity. Emerging Christians see themselves as overturning outdated interpretations of the Bible, transforming hierarchical religious institutions, and re-orienting Christianity to step outside the walls of church buildings toward working among and serving others in the "real world."

Why People Matter John F. Kilner 2017-01-03 Amid current arguments related to human life and dignity, Christians must be clear about how their faith speaks to such concerns and what other outlooks have to say. This book brings together noted ethicists--Russell DiSilvestro, David P. Gushee, Amy Laura Hall, John F. Kilner, Gilbert C. Meilaender, Scott B. Rae, and Patrick T. Smith--to make a Christian case for human dignity. It offers a robust critique of five influential alternative positions, including the emerging outlook of transhumanism, showing how a Christian view supports the crucial idea that people matter in a way other views cannot.

The Other Journal: Marxism The Other Journal 2013-10-01 "The literary critic and Marxist philosopher Fredric Jameson has said, ""It is easier to imagine the end of the world than to imagine the end of capitalism."" The military, social, and political effects of capitalism are felt everywhere across the planet, and even as we acknowledge the negative effects--the

imbalances of power, the imperialist exploitations, the social alienation--we are captivated by its message of self-sufficiency and success. In this issue, *The Other Journal* examines the potentially surprising intersections of Marxism with Christianity, the ways in which this nexus of thinking and faith may help us contend with and recognize the powers of the market. The issue features essays and reviews by Daniel Colucciello Barber, Luke Bretherton, Kevein Hargaden, Paul Dafydd Jones, D. L. Mayfield, W. Travis McMaken, Christina McRorie, Thomas J. Millay, Silas Morgan, and David Schmidt; an interview by Timothy McGee with Joerg Rieger; fiction by Alex McCauley; creative nonfiction by Jonathan Hiskes; poetry by Brett Foster, Elizabeth Myhr, and Hannah Faith Notess; and art by Steve Bakker and Benjamin Violet. "

Du schenkst mir Flügel Henri Nouwen 2014-08

Die geheime Botschaft von Jesus Brian D. McLaren 2007

The Fullness of Time in a Flat World Scott Waalkes 2010-01-01 Best-selling author Thomas Friedman says that globalization has made the world flat and that we cannot stop the process. But while it is right to say that globalization tends to flatten our world, it is wrong to say that there are no alternatives to current patterns of economic, ecological, political, and cultural integration. This book argues that the Christian liturgical calendar provides a constructive alternative to the globalization of economics, ecologies, politics, and cultures. It does so by incorporating the church into the fullness of time in the gospel narrative, thereby helping us escape from the dead end of Friedman's flat world so that we can improvise healthier ways of being globally integrated.

Die Jesus-Revolution Shane Claiborne 2015-01-12 Shane Claiborne und Tony Campolo geht es um nichts weniger, als eine neue Jesus-Bewegung ins Leben zu rufen. Eine Bewegung, die den Worten Jesu viel mehr Gewicht gibt, als dies in großen Teilen der Christenheit der Fall ist. Dabei greifen sie brandaktuelle Fragen vieler Christen auf und setzen sie in den direkten Kontext zu Aussagen Jesu. Es geht um vieldiskutierte Themen wie Homosexualität, Islam, zur Rolle des Heiligen Geistes oder zur Abtreibung. Um die Verantwortung bei der sozialen Ungerechtigkeit dieser Welt. Um Umweltschutz. Und nicht zuletzt um die unbequeme Frage nach der Hölle. Ein unangenehmes Buch mit erhobenem Zeigefinger also? Mitnichten. Vielmehr wirken die Ansichten der beiden renommierten Autoren äußerst befreiend. Gleichzeitig sind sie stets durch den direkten Bezug auf Jesus fundiert. Ein Dialog zwischen dem jungen Wilden Claiborne und dem alten Weisen Campolo, ebenso spannend wie theologisch durchdacht. Radikal und dennoch Brücken bauend, wild und gleichzeitig weise.

In the Days of Caesar Amos Yong 2010-09-14 *In the Days of Caesar* is a constructive political theology formulated in sustained dialogue with the Pentecostal and charismatic renewal one of the most vibrant religious movements at the beginning of the twenty-first century. Amos Yong here argues that the many tongues, practices, and gifts of renewal Christianity offer up new resources for thinking about how Christian community can engage and transform the social, political, and economic structures of the world. Yong has three goals here. First he seeks to correct stereotypes of Pentecostalism, both political and theological. Secondly he aims to provoke Pentecostals to reflect theologically from out of the depths of their own Pentecostalism rather than merely to adopt some framework for theological or political self-understanding. Finally Yong shows that a distinctively Pentecostal form of theological reflection is not a parochial activity but has constructive potential to illuminate Christian belief and practice. This book's engagement with political theology from a Pentecostal perspective is the first of its kind.

Rethinking Life Shane Claiborne 2023-02-07 Drawing on Scripture, church history, and his own story, Shane Claiborne explores how a passion for social justice issues surrounding life and death--such as war, gun ownership, the death penalty, racial injustice, abortion, poverty, and the environment--intersects with our faith as we advocate for life in its totality. Many of us wonder how to think about and act on issues of life and death beyond abortion and the death penalty--yet the heated debates in our churches and the confusion of our own hearts sometimes feel overwhelming. What does a balanced, Christian view of what it means to be "pro-life" really look like? Combining stories, theological reflection, and a little wit with a Southern accent, activist Shane Claiborne explores the battle between life and death that goes back to the Garden of Eden. Shane draws on his childhood growing up in the Bible Belt, his own change of perspective on how to advocate for life, and his years of working on behalf of all people to help us: Learn from the Bible and the early church about valuing life Deepen our understanding of what a pro-life stance can look like Discover ways to discuss topics that are dividing our culture and churches Find encouragement when we feel politically homeless Renew our hope that there is a good way forward, even in difficult times We need a new movement that stands up for life--without exceptions. This moving and incredibly timely book creates a larger framework for thinking about God's love and our faith as we embrace a consistent ethic that values human life from womb to tomb.

Jesus for president Shane Claiborne 2009

Remembering the Future Christopher J. Keller 2009-01-01 *Remembering the Future* is a collection of poems, essays, and interviews that ask readers to see their world with double-vision-to imagine the redemptive consequences of engaging the world with a fastidious awareness of both the biblical tradition and the cultural moment. *Remembering the Future* is gathered from the first years of *The Other Journal*, an online quarterly positioned at the intersection of theology and culture. *The Other Journal* examines theology with fresh eyes, probing faith with passion, authenticity, and creativity; and this anthology represents the highlights of that endeavor, including content from some of the most important voices in the field of theology today. *Remembering the Future* offers readers an engaging, thought-provoking picture of what sound theological thinking can and must offer today's Christians giving witness to Christ in our contemporary cultural landscape.

Ich muss verrückt sein, so zu leben Shane Claiborne 2012-06-22 "Man hatte mir beigebracht, was man als Christ glaubt. Aber niemand hatte mir gezeigt, wie man als Christ lebt." Wie lebt man als Christ? Diese Frage führt Shane Claiborne auf ungewöhnliche Wege. Er reist nach Kalkutta und begleitet Mutter Teresa zu den Ärmsten der Armen - und dort begegnet er Gott auf ganz neue Weise. Seine "Bekehrung zur radikalen Nachfolge" ruiniert seine beruflichen Pläne, führt ihn in die Innenstadtghettos an die Seite der Vergessenen der Wohlstandsgesellschaft und zu Beginn des Irakkriegs 2003 als Friedensaktivist nach Bagdad. Der "Extremist der Nächstenliebe" erzählt eine Geschichte voller Leidenschaft, Kreativität und eines Glaubens, der durch kleine Taten der Liebe die Welt verändert.

Common Prayer Pocket Edition Shane Claiborne 2010-11-23 Experience a deeper prayer life through this fresh take on ancient liturgy for believers today. Designed to help individuals, families, and congregations pray together across denominations, this book of common prayer will help you and your community join together each day with the same songs, scriptures, and prayers. Composed under an advisory team of liturgy experts, these three influential and inspiring authors

have created *Common Prayer*--a tapestry of prayer that will help the church be one as God is one. This universal prayer book allows readers to greet each day together, remembering significant dates and Christian heroes in church history, as well as important historic dates in the struggle for freedom and justice. There are morning prayers for each day of the year, evening prayers for each of the seven days of the week, a midday prayer to be repeated throughout the year, and prayers for special occasions. In addition, there are morning prayers for Holy Week. *Common Prayer* also includes a unique songbook composed of music and classic lyrics to more than fifty songs from various traditions, including African spirituals, traditional hymns, Mennonite gathering songs, and Taize chants. Tools for prayer are scattered throughout to aid those who are unfamiliar with liturgy and to deepen the prayer life of those who are familiar with liturgical prayer. Ultimately, *Common Prayer* makes liturgy dance, taking the best of the old and bringing new life to it with a fresh fingerprint for the contemporary renewal of the church.

Jesus for President Shane Claiborne 2019-07-30 *Jesus for President* is a radical manifesto to awaken the Christian political imagination, reminding us that our ultimate hope lies not in partisan political options but in Jesus and the incarnation of the peculiar politic of the church as a people "set apart" from this world. In what can be termed lyrical theology, *Jesus for President* poetically weaves together words and images to sing (rather than dictate) its message. It is a collaboration of Shane Claiborne's writing and stories, Chris Haw's reflections and research, and Chico Fajardo-Heflin's art and design. Drawing upon the work of biblical theologians, the lessons of church history, and the examples of modern-day saints and ordinary radicals, *Jesus for President* stirs the imagination of what the Church could look like if it placed its faith in Jesus instead of Caesar. A fresh look at Christianity and empire, *Jesus for President* transcends questions of "Should I vote or not?" and "Which candidate?" by thinking creatively about the fundamental issues of faith and allegiance. It's written for those who seek to follow Jesus, rediscover the spirit of the early church, and incarnate the kingdom of God.

A False Kind of Christianity Dan Jensen 2017-06-15 In this work, Dan Jensen offers the conservative Evangelical community a no-nonsense assessment of the growing and aggressive progressive Christian movement. Jensen provides two chapters of personal testimony, a short overview of the history behind the progressive Christian movement, a brief summary of the teachings of the movement, and then he clearly elucidates the fact that the progressive Christian possesses absolutely no biblical foundation. Jensen makes it clear why this movement must be countered by conservative Evangelicals.

Christian Origins and Greco-Roman Culture Stanley E. Porter 2013 In "Christian Origins and Greco-Roman Culture," Stanley Porter and Andrew Pitts assemble an international team of scholars whose work has focused on reconstructing the social matrix for earliest Christianity through the use of Greco-Roman materials and literary forms. Each essay moves forward the current understanding of how primitive Christianity situated itself in relation to evolving Hellenistic culture. Some essays focus on configuring the social context for the origins of the Jesus movement and beyond, while others assess the literary relation between early Christian and Greco-Roman texts.

The Irresistible Revolution, Updated and Expanded Shane Claiborne 2016-01-05 Join Shane Claiborne as he invites you to rediscover the biblical practice of loving your neighbor, using unconventional examples from his own life to stir up questions about the church and the world while challenging you to truly live out your faith. In this updated and expanded edition of *The Irresistible Revolution*, bestselling author and activist Shane Claiborne challenges us to remember that the Great Commission sends us into the world not just to make believers but to form disciples who know how to love the way God calls us to. In *The Irresistible Revolution*, Shane describes an authentic faith rooted in belief, action, and love, inviting us into a movement of the Spirit that begins inside each of us and extends into a broken world. He asks and answers key questions like: How can I sustain my faith and combat burnout? Should Christians be involved in politics? How does God want me to spend my life? With new material throughout the book, Shane adds new stories, shares what his community looks like now, and brings you fresh inspiration to live out this message in practical ways. Come join the revolution. Praise for *The Irresistible Revolution*: "Shane Claiborne is a living experiment--evangelical zeal mixed with grassroots activism; passion for Jesus mixed with prison time for feeding the poor. This is a rant for love, aimed at cowards seeking courage." --Aiden Enns, publisher, *Geez Magazine* "Written with endearing humor and astonishing courage, *The Irresistible Revolution* describes a young man's embrace of uncompromising commitment to Jesus' teachings." --Kathy Kelly, author; cofounder of *Voices in the Wilderness*

Und der Himmel bricht herein Bill Johnson 2007
