Think, Act, and Invest Like Warren Buffett: The Winning Strategy to Help You Achieve Your Financial and Life Goals Larry Swedroe 2014-03-07 Bedrock investing principles for profiting in today's shaky markets If you wanted to create the next earth-shattering consumer product, Steve Jobs would be an ideal role model to follow. If you planned to become a great golfer, you might look to Arnold Palmer or Jack Nicklaus. So, if your goals were to outperform other investors and achieve your life's financial goals, what should you do? Think, act and invest like the best investor out there: Warren Buffett. While you can't invest exactly like he does, Think, Act, and Invest Like Warren Buffett provides a solid, sensible investing approach based on Buffett's advice regarding investment strategies. When it comes to investing, Director of Research for the BAM Alliance and CBS News blogger Larry Swedroe has pretty much seen it all—and he's come to the conclusion that simple is better, that adopting basic investing principles always increases an investor's chance of success and that Buffett is the perfect model for such investing. In Think, Act, and Invest Like Warren Buffett, Swedroe provides the foundational knowledge you need to: Develop a financial plan to help you make rational decisions on a consistent basis Determine the level of risk that's right for you and allocate your assets accordingly Create a strong portfolio that will weather any economic storm Manage your portfolio—rebalance periodically to maintain proper risk levels The beauty of the Buffett approach is its profound simplicity: follow the basics, keep your cool, and have a sense of humor. The market volatility of recent years has ushered in armies of economists, forecasters and other so-called experts whose job it is to explain how everything works. Somehow, they have managed to muddy the waters even more. The truth is, investing is easier than you think—even in today's economy. "Complex problems can have simple solutions," Swedroe writes. Think, Act, and Invest Like Warren Buffett helps you go back to the basics—so you can leap in front of the investing pack. Praise for Think, Act, and Invest Like Warren Buffett: "You could not spend a more profitable hour than reading Larry Swedroe's wise and lucid investment guide." —Burton Malkiel, author, A Random Walk Down Wall Street "If you've been wondering why you've had such a hard time investing well, Playing the Winner's Game will diagnose your ills and treat them in just ninety short, delightful pages." —William Bernstein, author, A Splendid Exchange and The Investor's Manifesto "Follow the investment strategy advocated by Larry Swedroe, and free yourself to spend your time on life's treasures—like your family and friends!" —William Reichenstein, professor, Baylor University "As someone who teaches a college investments course, I would not have thought it possible to do what Swedroe has done in such a short concise book." —Edward R. Wolfe, professor of finance, Western Kentucky University "It's amazing. Larry Swedroe managed to pen a magnificent book not only chock full of actionable advice, but one that's fun to read. Get a copy and treat yourself to a better financial future." —Harold Evensky, president, Evensky & Katz "Larry Swedroe is the undisputed expert in helping investors manage portfolios the smart way. His new book, Playing the Winner's Game, combines all facets of wealth management in an

inspiring and powerful manner." —Bill Schultheis, author, *The New Coffeehouse Investor*

The Tao of Warren Buffett Mary Buffett 2006-11-21 A collection of the inspiring words and wisdom from America's favorite businessman that reveal his secrets of success from the bestselling authors of *Buffettology* and *The New Buffettology*. Like the sayings of the ancient Chinese philosopher Lao-tzu, Warren Buffett's worldly wisdom is deceptively simple and enormously powerful in application. In *The Tao of Warren Buffett*, Mary Buffett—author of three books on Warren Buffett's investment methods—joins noted Buffettologist and international lecturer David Clark to bring you Warren Buffett's smartest, funniest, and most memorable sayings with an eye toward revealing the life philosophy and the investment strategies that have made Warren Buffett, and the shareholders of Berkshire Hathaway, so enormously wealthy. Warren Buffett's investment achievements are unparalleled. He owes his success to hard work, integrity, and that most elusive commodity of all, common sense. The quotations in this book exemplify Warren's practical strategies and provide useful illustrations for every investor—large or small—and models everyone can follow. The quotes are culled from a variety of sources, including personal conversations, corporate reports, profiles, and interviews. The authors provide short explanations for each quote and use examples from Buffett's own business transactions whenever possible to illustrate his words at work. As Warren says: "You should invest in a business that even a fool can run, because someday a fool will." "No matter how great the talent or effort, some things just take time: You can't produce a baby in one month by getting nine women pregnant." "Our method is very simple. We just try to buy businesses with good-to-superb underlying economics run by honest and able people and buy them at sensible prices. That's all I'm trying to do." *The Tao of Warren Buffett* inspires, amuses, sharpens the mind, and offers priceless investment savvy that anyone can take to the bank. This irresistibly browsable and entertaining book is destined to become a classic.

The Warren Buffett CEO Robert P. Miles 2003-04-18 "Everyone knows Warren is the greatest investor of our time. . . . This book for the first time captures his genius as a manager." —Jack Welch The first book to reveal the investment and management strategies of the Berkshire Hathaway all-star management team. Much has been written about Warren Buffett and his investment philosophy; little has been made public about the inside management of Berkshire Hathaway. With a market cap exceeding 100 billion, Berkshire Hathaway has a market value surpassing many icons of American business such as Dell, AT&T, Disney, Ford, Gillette, American Express, and GM. Drawing on his personal experiences as well as those of Berkshire's chief executives, officers, and directors interviewed for this book, Berkshire insider Robert P. Miles provides a unique look at the Berkshire Hathaway culture and its management principles.

The Warren Buffett Way Robert G. Hagstrom 2013-09-30 Warren Buffett is the most famous investor of all time and one of today's most admired business leaders. He became a billionaire and investment sage by looking at companies as businesses rather than prices on a stock screen. The first two editions of *The Warren Buffett Way* gave investors their first in-depth look at the innovative investment and business strategies behind Buffett's spectacular success. The new edition updates readers on the latest investments by Buffett. And, more importantly, it draws on the new field of behavioral finance to explain how investors can overcome the common obstacles that prevent them from investing like Buffett. New material includes: How to think like a long-term investor – just like Buffett Why "loss aversion", the tendency of most investors to overweight the pain of losing money, is one of the biggest obstacles that investors must overcome. Why behaving rationally in the face of the ups and downs of the market has been the key to Buffett's investing success Analysis of Buffett's recent acquisition of H.J. Heinz and his investment in IBM stock The greatest challenge to emulating Buffett is not in the selection of the right stocks, Hagstrom writes, but in having the fortitude to stick with sound investments in the face of economic and market uncertainty. The new edition explains the psychological foundations of Buffett's approach, thus giving readers the best roadmap yet for mastering both the principles and behaviors that have made Buffett the greatest investor of our generation.

Summary: How to Pick Stocks Like Warren Buffett BusinessNews Publishing 2013-02-15 The must-read summary of Timothy Vick's book: "How to Pick Stocks Like Warren Buffett: Profiting From the Bargain Hunting Strategies of the World's Greatest Value Investor". This complete summary of the ideas from Timothy Vick's book "How to Pick Stocks Like Warren Buffett" presents the reader with Warren Buffett's four principles, which have been consistently profitable across year of investment and stock market turmoil. These four principles are: 1. Have a street-smart investment philosophy. 2. Analyse all potential investments astutely. 3. Avoid getting into loss situations religiously. 4. Obey the general rules of good investment strategy. This summary highlights the key points of each strategy, and breaks it down into guidelines that are easy to understand and follow: plan on staying actively involved in making investments for 30-years or more, so that you look at the market with a long-term view; only buy stock that will increase in value by at least 15-percent per year; value a business solely on its future earnings, discounted for risk; devote at least part of your portfolio to unconventional investments which guarantee a specified return. Never buy or sell anything just because of fashion. In short, the philosophy of this book is to invest for the long-term, sustainable gains. Use knowledge, stay with your strengths and ignore daily fluctuation. Added-value of this summary: • Save time • Understand key concepts • Increase your business knowledge To learn more, read "How To Pick Stocks Like Warren Buffet" and get all the keys a savvy investor needs to make the right investment.

Warren Buffett Robert G. Hagstrom 2021-03-09 In Warren Buffett: Inside the Ultimate Money Mind, Hagstrom breaks new ground with a deep analysis of Buffett's essential wisdom, an intricate mosaic of wide-ranging ideas and insights that Buffett calls a Money Mind. What exactly is a Money Mind? At one level, it's a way of thinking about major financial issues such as capital allocation. At another level, it summarizes an overall mindset for successfully investing in today's fast-paced stock market, a mindset that depends on a commitment to learning, adapting, and facing down irrelevant noise. This is not a method book. It is a thinking book. Warren Buffett: Inside the Ultimate Money Mind explains the philosophies of self-reliance, stoicism, rationalism, and pragmatism and their contributions to making intelligent investment decisions. It also outlines the evolution of value investing, discusses how to develop a business-driven investing mindset, and describes the defining traits of successful active management. Lastly, it examines the surprising aspects of a Money Mind – sportsman, teacher, and artist. In short, Warren Buffett: Inside the Ultimate Money Mind helps readers understand the building blocks that go into making a Money Mind so they can begin to incorporate its principles in the service to a life of value.

Warren Buffett and the Art of Stock Arbitrage Mary Buffett 2010-11-09 For the first time ever, discover how Warren Buffett has made unheard-of profits in the world of arbitrage and special investments, and how to be a player in these ventures. Investors around the world recently learned that from 1980 through 2003 Warren Buffett's arbitrage operations produced an astronomical average annualized rate of return of 81.28%. Even more amazing, this incredible rate of return was produced with very low rates of risk. Long considered one of the most powerful and profitable of Buffett's investment operations, but the least understood, these special types of investments have been the edge that made Warren Buffett so phenomenally successful. Warren Buffett and the Art of Stock Arbitrage is the first book to examine Buffett's special brand of arbitrage investing. Buffettologists Mary Buffett and David Clark explore the previously secret domain of Warren Buffett's stock arbitrage investments. They explain how Buffett finds deals, evaluates them, picks the winners from the losers, and when he is willing to use leverage to help boost his performance in these investments to make amazing profits. Basic mathematical equations are included to help readers determine the projected rate of return, evaluate risk, and determine the probability of the deal being a success. Buffett and Clark provide detailed explanations and examples of Warren Buffett's methods for arbitrage, and for investing in tender offers, liquidations, spin-offs, and reorganizations. They take readers step by step from the initial public announcement to tendering shares, explaining how Buffett evaluates risk and maximizes his profit at every step. Warren Buffett and the Art of Stock Arbitrage is a valuable companion to the other books in Buffett and Clark's successful series—Buffettology, The Buffettology Workbook, The New Buffettology, The Tao of Warren Buffett, Warren Buffett and the Interpretation of Financial Statements, and Warren Buffett's Management Secrets.

Warren Buffett and the Interpretation of Financial Statements Mary Buffett 2008-10-14 With an insider's view of the mind of the master, Mary Buffett and David Clark have written a simple guide for reading financial statements from Warren Buffett's successful perspective. Buffett and Clark clearly outline Warren Buffett's strategies in a way that will appeal to newcomers and seasoned Buffettologists alike. Inspired by the seminal work of Buffett's mentor, Benjamin Graham (The Interpretation of Financial Statements, 1937), this book presents Buffett's interpretation of financial statements with anecdotes and quotes from the master investor himself. Potential investors will discover: • Buffett's time-tested dos and don'ts for interpreting an income statement and balance sheet • Why high research and development costs can kill a great business • How much debt Buffett thinks a company can carry before it becomes too dangerous to touch • The financial ratios and calculations that Buffett uses to identify the company with a durable competitive advantage -- which he believes makes for the winning long-term investment • How Buffett uses financial statements to value a company • What kinds of companies Warren stays away from no matter how cheap their selling price Once readers complete and master Buffett's simple financial calculations and methods for interpreting a company's financial statement, they'll be well on their way to identifying which companies are going to be tomorrow's winners -- and which will be the losers they should avoid at all costs. Destined to become a classic in the world of investment books, Warren Buffett and the Interpretation of Financial Statements is the perfect companion volume to The New Buffettology and The Tao of Warren Buffett.

So macht es Warren Buffett James Pardoe 2011 Warren Buffett ist ein erfolgreicher Investor. Buffetts Anlagestil: Er kauft nicht, was er nicht kennt, er spekuliert nicht mit dem zeitlichen Verlauf des Marktes und er hört weder auf Analysten noch schaut er in die Aktien-Charts. The New Buffettology Mary Buffett 2002-09-27 If you read the original Buffettology, you know exactly half of what you need to know to effectively apply Warren Buffett's investment strategies. Published in 1997, the bestselling Buffettology was written specifically for investors in the midst of a long bull market. Since then we've seen the internet bubble burst, the collapse of Enron, and investors scrambling to move their assets -- what remains of them -- back to the safety of traditional blue chip companies. As price peaks turned into troughs, worried investors wondered if there was any constant in today's volatile market. The answer is yes: Warren Buffett's value investing strategies make money. The New Buffettology is the first guide to Warren Buffett's selective contrarian investment strategy for exploiting down stocks -- a strategy that has made him the nation's second-richest person. Designed to teach investors how to decipher and use financial information the way Buffett himself does, this book guides investors through opportunity-rich bear markets, walking them step-by-step through the equations and formulas Buffett uses to determine what to buy, what to sell -- and when. Authors Mary Buffett and David Clark explore Buffett's recent investments in detail, proving time and again that his strategy has earned enormous profits at a time no one expects them to -- and with almost zero risk to his capital. In short, The New Buffettology is an essential companion to the original Buffettology, a road map to investment success in the worst

of times.

The Essential Buffett Robert G. Hagstrom 2002-08-19 Applying Buffett's principles to technology and international investing From the bestselling author of The Warren Buffett Way and The Warren Buffett Portfolio comes The Essential Buffett: Timeless Principles for the New Economy. In this fresh take on Buffett's irrefutable investment methods, Robert Hagstrom shows readers how to apply Buffett's principles to technology and international investing using real-life case studies of successful fund managers like Legg Mason's Bill Miller. Following the Buffett model, Hagstrom explains Buffett's four timeless principles: 1) analyze a stock as a business; 2) demand a margin of safety for each purchase; 3) manage a focus portfolio; 4) protect yourself from the speculative and emotional forces of the market. Then Hagstrom shows how Buffett's thinking can be applied in the new economy, addressing technology investing, international investing, small cap stocks, and socially responsible investing. Perhaps most valuable are Hagstrom's insights into the psychology behind Buffett's focus investing. For the first time, we are given sure-fire guidelines on how to become a winning Buffett disciple. The Essential Buffett will include convenient sidebars featuring key Buffett ideas, enabling readers to quickly compare Buffett's fundamental tenets.

7 Secrets to Investing Like Warren Buffett Mary Buffett 2019-10-22 A clear, simple, and complete guide for beginning investors from bestselling author Mary Buffett and Sean Seah that explains Warren Buffett's techniques of Value Investing and his proven strategies to ensure long-term success. For twelve years, Mary Buffett was part of the Buffett inner circle. During that time, she studied Warren's investment strategies and techniques and observed his habits. Now, in *7 Secrets to Investing Like Warren Buffett*, Mary and Sean Seah provide a complete guide for beginning investors who want to understand how to invest like Warren Buffett. Mary and Sean walk readers through the process of assessing and buying stocks step-by-step. Their friendly and direct style and concrete examples make it easy to understand how to avoid common pitfalls and prosper in the stock market. The first section of the book discusses habits to adopt to begin a lifelong journey of wealth building. The second section examines specific stock-picking techniques inspired by Buffett's teacher Benjamin Graham and that are vastly different from the common Wall Street wisdom of trying to time the market. The authors look at timeless principles as well as latest ideas on where to find great investment ideas, and they share the specific financial indicators they look for in a good investment. Finally, Mary and Sean explain how to build and track a portfolio of stocks. From learning how to read financial statements to preparing both personal and professional balance sheets, *7 Secrets to Investing Like Warren Buffett* is a must-have companion for every investor. Simple questionnaires, charts, and graphs help illustrate specific strategies. The authors' personal stories provide a clear explanation of the theory behind Value Investing, as well as advice for developing the necessary "soft skills"—habits, mindset, loving what you do, taking care of your mind and body—that have made Warren Buffett and many others so successful.

The Warren Buffett Philosophy of Investment: How a Combination of Value Investing and Smart Acquisitions Drives Extraordinary Success Elena Chirkova 2015-04-15 See the world's #1 investor like never before—and learn how you can replicate his success Many books have been written about Warren Buffett's value-investing strategy, and volumes more have been written about becoming a top-tier value investor. Even so, no one can touch the success Warren Buffett has achieved. Why? In this revealing examination of Buffett's success, practitioner, professor, and bestselling author Elena Chirkova proposes the key to replicating his achievements is found in his acquisition practices as well as his investment strategy. In *The Warren Buffett Philosophy of Investment*, she looks at the man in full to piece together the framework leading to his unmatched wealth-generating prowess. The cornerstone of her study goes beyond investment theory to show Buffett's core wealth drivers are his philosophies behind Berkshire Hathaway. From his decision to create a joint stock company (instead of a mutual fund) to his hands-off policy with acquired companies to making himself a brand-name of mergers and acquisitions—she illustrates an intimate portrayal of Buffett operating behind the scenes by piecing together his career with scholarly diligence and scrutiny. Even well-read Buffett followers gain fresh insight into the man by discovering: Where his divergence from the principals of Ben Graham and Philip Fisher make him a superior investor Why his unorthodox perspective on the financial markets keep him ahead of the curve How his vision of risk, interpretation of volatility, and scepticism about investing in technology companies are interconnected What he sees as the critical problems of corporate finance Additionally, readers are treated to extraordinary coverage of how Buffett strategically set up Berkshire Hathaway to suit his personal long-term investment strategy and provide almost cost-free leverage. See how Buffett's singular acquisition tactics and portfolio investments earned Berkshire Hathaway the distinction as "the right home for the right people," which gives him access to deals unobtainable by other companies and investors. You're only investing with half a strategy until you take your value investing to the next level with *The Warren Buffett Philosophy of Investment*.

The Warren Buffett Portfolio Robert G. Hagstrom 2000-11-20 *The Warren Buffett Way* provided the first look into the strategies that the master uses to pick stocks. A New York Times bestseller, it is a valuable and practical primer on the principles behind the remarkable investment run of the famed oracle of Omaha. In this much-awaited companion to that book, author Robert Hagstrom takes the next logical step, revealing how to profitably manage stocks once you select them. *THE WARREN BUFFETT PORTFOLIO* will help you through the process of building a superior portfolio and managing the stocks going forward. Building a concentrated portfolio is critical for investment success. *THE WARREN BUFFETT PORTFOLIO* introduces the next wave of investment strategy, called focus investing. A comprehensive investment strategy used with spectacular results by Buffett, focus investing directs investors to select a concentrated group of businesses by examining their management and financial positions as compared to their stock prices. A strategy that has historically outperformed the market, focus investing is based on the principle that a shareholder's return from owning a stock is ultimately determined by the economics of the underlying business. Hagstrom explains in easy-to-understand terms exactly what focus investing is, how it works, and how it can be applied by any investor at any level of experience. He

demonstrates how Buffett arranges his stocks in a focus portfolio and reveals why this is as responsible for his incredible returns as the individual stocks he picks. Ultimately, Hagstrom shows how to use this technique to build and manage a portfolio to achieve the best possible results.
