A Handbook for Grievance Arbitration Arnold Zack 1992 This text aims to prepare arbitrators and representatives of unions for arbitration hearings. Arranged chronologically, the guide begins advice on avoiding arbitration, progresses to arrangements for the hearing, covers the hearing itself, and concludes with the decision. All aspects of procedural matters, evidentiary problems and professional responsibility are explained, and case studies raise issues and offer solutions that are based on actual arbitration hearings.

Employee Relations Audits C. Jennings 2017-06-26 This book, first published in 1990, is a practical manual which presents guidance on how to carry out and evaluate an employee relations audit. This title also provides audits for five key areas of employee relations, including communication and consultation, equality of opportunity and disciplinary matters. This book should be of interest to lecturers, post-graduate students and practitioners of management, personnel, employee relations and industrial relations.

Questions & Answers on the Employment Protection Act Vincent Powell-Smith 1976

Understanding Labor Law Douglas E. Ray 2011-06-01 This Understanding treatise examines the multifaceted and complex law of private-sector Labor Law. Because Understanding Labor Law focuses on relations between management and labor in the private sector, it deals primarily with the National Labor Relations Act, as amended, and its interpretation and application by the federal courts and the National Labor Relations Board. The book is organized in a format that is consistent with the organization of most Labor Law courses. At the end of each chapter is a section titled "Chapter Highlights," summarizing some of the major doctrines discussed in the chapter.

Questions & Answers on Public Employee Negotiation W. Donald Heisel 1967

Labor Arbitration Reports 1998

The Labor Relations Process William H. Holley 2011-11-01 As recognized arbitration experts around the world, the authors of THE LABOR RELATIONS PROCESS, 10th Edition bring nearly a century of combined experience with the labor movement, labor relations, and collective bargaining to this popular text. Packed with real-world examples and quotes from practitioners in the field, THE LABOR RELATIONS PROCESS, 10th Edition explores labor's history from inception to current and emerging trends, touching on government, white-collar, and international contexts for an unmatched perspective of the topics. Chapters include in-depth analyses of the relationship between management and labor, including key participants in the processes, and the rights and responsibilities of each. Labor agreements, collective bargaining, contract administration, arbitration, and other critical issues and processes highlight the complex, exciting nature of organized labor, and introduce students to the many professional opportunities available to them

today. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Inside the Workplace Barbara Kersley 2013-04-15 Based on the primary analysis of the 2004 Workplace Employment Relations Survey (WERS 2004), this is the fifth book in the series which began in 1980, and which is considered to be one of the most authoritative sources of information on employment relations in Great Britain. Interviews were conducted with managers and employee representatives in over 3,000 workplaces, and over 20,000 employees returned a self-completion questionnaire. This survey links the views from these three parties, providing a truly integrated picture of employment relations. This book provides a descriptive mapping of employment relations, examining the principal features of the structures, practices and outcomes of workplace employment relations. The reader can explore differences according to the characteristics of the workplace and organization, including workplace size, industrial sector and ownership. Current debates are examined in detail, including an assessment of the impact of the Labour Government's programme of employment relations reform. A key reference from a respected and important institution, this book is a valuable 'sourcebook' for students, academics and practitioners in the fields of employee relations, human resource management, organizational behaviour and sociology.
