International Workshop on Evidence-Based Technology Enhanced Learning Pierpaolo Vittorini 2012-03-05 Research on Technology Enhanced Learning (TEL) investigates how information and communication technologies can be designed in order to support pedagogical activities. The workshop proceedings collects contributions concerning evidence based TEL systems, like their design following EBD principles as well as studies or best practices that educators, education stakeholders or psychologists used to diagnose or improve their students' learning skills, including students with specific difficulties. The international ebTEL '12 workshop wants to be a forum in which TEL researchers and practitioners alike can discuss ideas, projects, and lessons related to ebTEL. The workshop takes place in Salamanca, Spain, on March 28th-30th 2012.

Alpha Teach Yourself Grammar & Style in 24 Hours Dr. Denis Hensley 2000-05-09 Adults often begin writing and realized that they don't remember all the rules they learned in Mrs. Peacock's 8th grade English class. Most adults in the workplace today have purchased -- on at least one occasion -- a writing guide. Grammar, style, punctuation, sentence structure and irregular verbs are all elements of grammar and style that we often just don't know anymore. And for anyone who has to communicate professionally -- whether a formal business presentation or a general improvement in their everyday conversational ability -- has gone to the bookstore to look for a grammar and style guide. Teach Yourself Grammar and Style in 24 Hours is a straightforward guide to everything from basic nouns and verbs to expressing clear thought in writing. Based on the proven Teach Yourself formula, the authors will construct 24 1-hour lessons on grammar and style that build sequentially. Since grammar and style work together, readers can see how one chapter affects the next as they progress. Best of all -- at \$17.99, readers can purchase one all inclusive grammar and style book for more coverage and a better price.

Teaching Reading in Today's Elementary Schools Betty Roe 2018-02-08 TEACHING READING IN TODAY'S ELEMENTARY SCHOOLS sets the standard for reading instruction to ensure that aspiring teachers are able to help students learn the mechanics of word recognition, how to comprehend what they read -- and enjoy the process. The book advocates a balanced approach to reading, presenting newer approaches with more traditional approaches that have proven value, such as phonics, vocabulary instruction, and strategies for literal and higher-order comprehension. Practices are featured, such as use of recent technologies for literacy learning, varying approaches with attention to dealing with the many types of diverse learners in today's classrooms, and use of close reading techniques with appropriate materials to enhance the learning experience. New chapters are devoted to diversity and fluency. Praxis, CCSS, and edTPA assistance is also incorporated.
